## LIFESAVING NEWS – Garry Bunford

### End of Season Patrol Sun Downer

The annual Patrol photo and Patrol Sun downer will take place on Sunday 26<sup>th</sup> April. Also on this day for the first time we will hold the Champion Patrol competition which will take the form of a lifesaving competition.

Details below:

- Competition commencing at 2pm (at the cessation of patrol on that day)
- All patrols to nominate a minimum of 6 participants
- Competition will involve run swim run, rescues, first aid and a couple of fun swim/run challenges
- Aggregate points will be allocated per team for each challenge

Following the Patrol competition we will take the annual patrol photo which will be displayed in the hall for prosperity and then adjourn to the club rooms for some food, refreshments and entertainment. This is our traditional end of season patrol function and it would be great to see all of our patrolling members come down to share stories of the season that was, especially our newest patrolling members.

## CLUB SERVICE NEWS – Leanne Lewis

I trust all our Sorrento members have had a safe and enjoyable Easter, and our athletes had a few opportunities to get in some last minute training before heading east for the Aussie titles. Good Luck and enjoy the great carnival as you compete against our nations finest.

The So café kitchen is up and running again, with the new stove breathing a new lease of life into this area. As it is school holidays and many regulars are away at the moment, we have decided to keep the kitchen closed this week.

It is very difficult to make the kitchen viable when we are always catering for unknown numbers, so if you can please let Krystal know if are coming in, by way of a booking, (0405 492 850), that would make life much easier and mean less wastage or you missing out.

Please call the office on 9448 1431 to reserve your tables for the Annual Dinner now!
