FROM THE PRESIDENT

Dear Members,

On behalf of our board of management team we would like to acknowledge and Thank ALL members who give their valuable time to volunteer across the many areas of our club.

A non for profit organisation such as our relies heavily on volunteers to ensure our club remains a viable entity.

Our patrolling members give our club and SLSWA a distinct profile within the community in which our service is provided.

Street Appeal

A big thank you to all members that helped us on the Street Appeal last week. So far we have raised a massive **\$6766.45**. Thank you so much to Rita for coordinating the event. All money raised goes directly to our club. If you attended last Wednesday Night many members won raffle prizes for returning their cans! Terrific effort!!

Waterman's to the Wall Swim 2017

The Watermans to the Wall Swim held in April of this year was a huge success for the club. Planning is well underway by a hard-working committee for the event to be held again in April 2017.

We are currently looking for sponsorship for the event. If you have a small business and would like to be a part of this fantastic event please contact Jess in the office to get further information of how you can participate.

If you are unable to provide sponsorship but could donate some spot prizes this would also be appreciated. All funds raised from the swim go towards the Building Fund for the new clubrooms.

Lifesaving – Garry Bunford

Congratulations to Alex who on the weekend performed his first rescue with the McDonald Patrol. He gained his SRC award just over 1 week ago and this was his very first patrol.

His was on patrol at Hillary's where many young families come to swim. While he was doing a check of the pontoon, a mother called him over and advised him she was too tired to swim back with her 2 year old son, who was shaking and very scared.

Alex put the young boy on the front of his board and paddled him back to shore, the whole time he was talking to the toddler, which settled him down.

Alex jumped into action without hesitation and remained calm. Alex was so happy that he could help someone when needed.

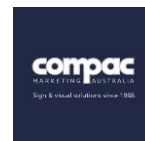

Great job Alex

First Aid

A First Aid skills session was held last Tuesday. Eighteen people turned up. We discussed patient assessment, vital signs, treatment plans and discharge. Two scenarios were run for practise. Feedback was very positive and the next session will be late January.

Watch this space for details or join the Sorrento Surf Club First Aid Community facebook page for this and other tips and tricks.
