## Competition – Masters

### Master State Surf Lifesaving Championships 2017 – 25 February 2017 – Mullaloo SLSC

Time to put all that training to the test, the registration sheets for the State Masters Championships are now on the notice board for **you** to register your name (along with your age group - as at 1 September 2017). It is important that you do this in the next week, as these sheets will be used at the meeting on the 1 February 2017.

The Master meeting will be held on Wednesday 1 February at 6.30pm in the Sorrento Club rooms' courtyard where teams will be coordinated and planning for the day's events will be completed. Please make every effort to attend this meeting. Greg McIntosh will be coordinating the Men's' and Jaynie will be coordinating the Ladies. If you have never competed before at States, don't let that stop you from having a go, Sorrento has always exceeded expectations in past events. If you don't want to compete, but still would like to experience the day and be part of the team, we will need team managers and supporters on the day, would be really good to have a manager in each arena for the Men and Women's tents (team changes, marshalling etc).

## Competition – Boats

On Sunday at the Navy Series Round 3 Sorrento had 1 Male and 1 Female crew competing.

Unfortunately the female crew was withdrawn after 2 races due to injury. This was a precautionary decision made to prevent further injury. At that stage the girls had rowed very well in trying conditions.

The men's crew made it through to the C final winning their first ever competition. Well done to both crews on the camaraderie shown throughout the day towards each other. A great group of club members that helped each other all throughout the carnival. Special thanks to young Jack Grant who helped moving the boat up and down the beach by running the rollers.

Our next competition is at the Country Carnival in Albany on the 28th January.

Regards

Watto

## Juniors – Ian Smallwood

### Sorrento Junior carnival

What an awesome turn out for our carnival and some pretty good results too.

Well done to all of the nippers that gave it a go. Congratulations to all of the age managers even the little ones that moved South of the North groyne to make way for the carnival due to weed.

A really big thanks to all of the helpers, who made the carnival possible. Too many to name.

### Club Champs 2

Well done to all who competed. And the age managers that had to readjust their champs in trying conditions.

Thanks to all of the water safety who braved the conditions.

Thanks to all of our volunteers from myself and the Junior Committee, without whom juniors would not happen.
