Edition 22 14th July 2014

FROM THE PRESIDENT'S PEN

Deep into winter one would think that very little activity should be occurring around the club this time of year, that's not the case. It's great to see our die hard Stingers going strong on a Sunday morning.

Our Life Saving discipline continues there wonderful work over the winter months producing new and advanced Life Savers. We have our evergreen contingent of Avon Descenters fine tuning there training for what will hopefully be a fast flowing trip down the Avon in just under three weeks' time.

Down the beach a couple of Saturday mornings ago (fully rugged up) watching some of our Open competitors going through their paces under the watch of Guy Power, they were training in not much more than there Sluggo's, now that's commitment. Andrew Ridley and his team behind the scenes preparing our athletes for the upcoming Pool Rescue State Championships, more detail mentioned below.

Your BOM is also working hard behind the scenes compiling there committee's for the upcoming season in addition to preparing budgets, which leads me to an important request. The BOM encourage as many of our existing members re-register as soon as possible. Having an understanding of the number of members that re-register early allows the disciplines under the guidance of the Director greater clarity in preparing and submitting budgets for the 2014/15 season. For those that cannot not take advantage of the online registration process our first re-registration evening is to be held this coming Wednesday 16th at 5.00-7.00pm.

A CLUB AS ONE; IS A CLUB OF STRENGTH!

Yours sincerely,
Rob Doherty - Club President.
