BUSINESS & MARKETING NEWS – Christine Cougan

Sorrento is dedicated to being an inclusive organisation and is proud to support a new initiative developed this season.

Dolphin Lifeguard Program

'Mission is through our members, help people with a disability, develop and engage with the community, through sports participation and recreational activities.'

Every Saturday morning this year at 9:30 a group of enthusiastic participants turn up for an hour, to learn new surf skills, make friends and have fun under the guidance of volunteer Sorrento members, parents and carers.

I commend and thank those who have been involved in the creation and the success of this program.

We are looking for funding to further expand and support the program for next season.

POOL RESCUE NEWS – Andrew Ridley

Pool Rescue Competition - Winter 2016

Pool rescue competition is a growing sports discipline for Surf Life Saving WA and its clubs. Pool Rescue sees competitors' aquatic skills tested with events including manikin tows, obstacle swims and tube swims carrying 'patients' – events are modified for junior competitors. It is very important for surf athletes to have pool rescue skills - as well as surf skills.

Pool tournaments also encourage athletes who may feel uncomfortable in the ocean to get involved in the lifesaving movement.

In 2016 SLSWA will run a four-round SunSmart Pool Rescue Series to ensure that all competitors have adequate opportunity to prepare for the SunSmart Pool Rescue State Championships.

Sorrento SLS encourage as many of our athletes to enter the event to field a strong TEAM GREEN!

Please contact Muzz if you have a car trailer that the club can use to take to Wild West Hyundai when available. Please call 0407 486 881.

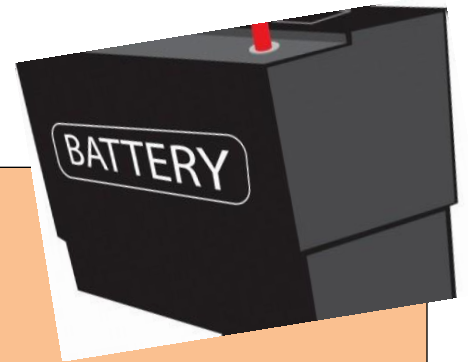

The boatie group are in training for our annual trek to Albany for the Albany Surf craft Challenge. This year we have 2 Female crews and 3 Men's crews heading South, this year is Sorrento's 10th year competing at this event.

Through the years we have picked up several placings winning Silver and Bronze medals with The original crew of T C sweep Scott Uglow, Mike Uglow, Mike Crane and Peter Watkins winning the Silver in the open men's (year 3/4) as well as the Busted Oar award on our first attempt

This year being our 10th year is somewhat special and all crews will be endeavouring to bring home a medal. Good luck to all crews.

Over the past 2 years we have also some of our Ski paddlers come down with us to participate in the Ski section doing very well each year. Hope we can encourage more club paddlers to join us in future years, it is always a great event.
