Constitution Changes for AGM-:

Please see the below re proposed constitutional changes done by our constitution committee member Jillian Dielesen.

Sorrento Surf Lifesaving Club is applying for Charitable status through the Australian Charities and Not-for Profit Act. This will bring benefits to members through recognition as a Not-for Profit organisation, including some cost savings through taxes. However, recreational and social benefits are not charitable; therefore the reference to them needs to be removed from the Constitution. The Board therefore requests the following amendment made at the AGM.

That Objective 1.2 (c) in the constitution is removed.

1.2 (c) To develop and maintain the recreational and social benefits to Club members, providing stimulus to achieve the principle objectives of the club.

Thanks to Chris Pawle and Sorrento Old Salts for our new Training Board.

Well the Annual Dinner has come and gone with a great time had by all who attended. The photos from this prestigious event can be found on our face book page, and everyone looked stunning, with and without the masks.

This was the night we honoured the great athletes and contributors in our club, and it was wonderful to see the many people who not only received awards but the ones who attended to pay tribute to them and our club.

Our M.C. this year was a much loved club member Tricia Neary who volunteered her time and graced the stage in a most charming and light hearted manner. Well done to Tricia and all who won the most converted awards.

In the off season a lot of planning goes into the next season's program. Committees are reformed with some members staying on, and new members coming on board.

If you think you can make a difference in your Surf Club and would like to meet new people, come and be a part of a committee. The Social committee of the last couple of years is standing down, and we need new blood to come forward to help on this fun committee. They meet once a month and would love to see YOU come forward and be part of the team.

Also the Food and Beverage committee need a few new members to help pave the way to making the bar and kitchen a better place for all to wine and dine. Come along and make a difference, as a little input from many people goes a long way.

If committees aren't your thing then we can definitely use more volunteers to help out in the bar and the kitchen. To keep the prices down on our food and drinks we count on the help from volunteers in this area. Even if you can only spare an hour here or there, all help is gratefully accepted.

Don't leave everything up to just a few people, come on and pitch in and help us make your club a great place to be. Everyone benefits when everyone contributes.

Contact barmanager@sossc.com, or ClubServiceDirector@sorrentossc.org.au, if you can help in any way.
