WOODSTONE PANTRY

R&R Team Meeting

There will be a meeting (requested by our illustrious leader) to discuss the upcoming season, confirm teams and training times and align coaches to teams.

Training has begun for some teams and Darryl is keen to get "all" teams on the paddock.

Please be at the club rooms by **6pm on Wednesday 11 October**. If you can't make this date please ring Darryl (0400124 200) to confirm your availability over the next season so he can lock in teams.

IRB Racing – Dan Rose

With the 2018 Australian surf lifesaving championships returning to Scarborough next year as well as numerous carnivals and water safety events planned this season will provide plenty of opportunity for IRB drivers and crew to gain valuable experience at beaches other than our own.

With this in mind we are looking at running a short 3 week Advance IRB driver/crew course (Sundays from October 1st to 15th times to be advised) for anyone who may be interested in putting their hand up for rosters for water safety, carnival, and other events, want to up-skill, or re-familiarise themselves with a wider range of surf conditions.

This course will look to refresh and build on driving skills already obtained and help with confidence in different conditions.
