Edition 24: Tuesday 12 December 2017

President – Ron Morris

Dear Members,

A big well done to all who participated in the seniors and Nippers carnivals over the weekend and a big thanks you to the set up and pick up crews for the both.

Thanks to all the age managers and helpers who stayed at Sorrento to help and train all the kids that did not go to the carnival it was great to see the Sorrento spirit is alive and well.

For those that witnessed an incident between 2 club members on the grassed area in front of the club on the 12th November, this incident was passed on to our discipline committee who have acted on the matter and approved by the BOM.

This is a timely reminder for all club members to read and follow our code of conduct which is on the web site.

Ron Morris

President

Sunday

Remember club championship this Sunday! I hope that you do the best you can! After that we have bouncy castles and we have an international guest that will be there to give out some lollies.

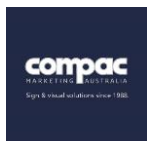

After club championship we ask all family's to enjoy the club facilities and the company of your hard working age managers.

Coogee

First official Nippers carnival for this season at Coogee saw the Mighty Sorrento making our Club proud. This was the very first official carnival for some of our junior competitors. It was so good to see so many qualified for both water and beach finals which is amazing considering there were so many Nippers competing.

Alkimos Development Competition

Sorrento Juniors did our Club proud today at the Alkimos Training Carnival. Some amazing results from our Green Caps in their first competition, we are so proud of you! All Sorrento SLSC Juniors stood out with their attitude and efforts.

Lifesaving – Laurie Mott

On Saturday we had the first Abalone patrol for the season. There was a good turnout with 28 members turning up. The patrol was largely uneventful except for a rescue performed by Christine Cougan and a number of minor first aids.

I would like to thank all who assisted on Saturday as this is a voluntary community service the club provides the general public and member have to be up very early to assist in this patrol.
