## President – Ron Morris

Dear Members,

We had a fantastic time at the Geraldton country carnival over the weekend. Well done to all our competitors, you did Sorrento proud!

The board of management would like to say thank you to all the members that did water safety on Australia Day. Swimming WA had over 1400 swimmers in the water so it was a big effort from the club. Well done everyone!

## Education – Trainers

### Young Trainers of the Future!!

We are starting a brand new “Young Trainers of the Future” programme at Sorrento (for Bronze, SRC, etc). We are seeking expressions of interest from people who are keen to be part of this exciting initiative. So, if you are under 21, hold a bronze medallion, are energetic, positive, keen to learn and keen to help others then we'd love to hear from you. This will be a great thing to put on your CV and you will develop some really useful life skills. It will also be great fun!!

Initially we are looking at holding a couple of sessions a month to help people refine their bronze skills and become really confident with that knowledge. Then we'll teach you how to train others. And then you'll start to get involved in club Bronze and SRC courses. We will fully support you all the way!!

**So, contact Jess in the office and register your interest.** We will then be in touch to have a chat. This programme is only available to those who we think will really benefit and contribute.
