President – Ron Morris

Dear Members,

We had a very busy weekend down at the club. Sorrento hosted the SLSWA Surf League, Nipper clinic and age manager's clinic with Phil Clayton. It ran very well and I would like to thank Muzz and the beach boys for all their hard work on setting up and packing down.

Club Development – Adrian Kirkpatrick

Last Sunday saw the continuation of the pathway to getting Sorrento Surf club's youth onto surfski's. The under 14 youth (and some older youth that missed out on the pre-Christmas sessions) took over the Hillarys Marina with "have a go" surfski sessions.

Great to see to see head coach for the day, Leanne Lewis, giving up her time again to lead the session. Thanks also to all of the club paddlers who came down as mentors to guide the kids along the way – the helping culture of our clubs ski paddling fraternity is fantastic. Kylie Milne's admin skills made sure that 48 youth were evenly divided across the 4 sessions offered over the last 2 Sundays, thus providing maximum ski time and optimum teaching conditions for all participants. Assistant youth manager Dean Solly and parent helpers did a great job getting the ski trailer loaded with skis and to the marina and back.

Youth that want to pursue paddling will be offered a 6 week learning program on a Saturday morning, beginning this Saturday the 10th of February with Les Goodliffe and Leanne Lewis. After this they can join the technique sessions, specifically tailored for the youth, which will be run by the club on a Sunday morning to get up to a level where they can join in mid-week training sessions. The end goal is to have our youth able to enjoy the fun, fitness and competition that skis paddling provides.

Education – Courses

Young Trainers of the Future!!

We are starting a brand new "Young Trainers of the Future" programme at Sorrento (for Bronze, SRC, etc). We are seeking expressions of interest from people who are keen to be part of this exciting initiative. So, if you are under 21, hold a bronze medallion, are energetic, positive, keen to learn and keen to help others then we'd love to hear from you. This will be a great thing to put on your CV and you will develop some really useful life skills. It will also be great fun!!

Education – Courses

Initially we are looking at holding a couple of sessions a month to help people refine their bronze skills and become really confident with that knowledge. Then we'll teach you how to train others. And then you'll start to get involved in club Bronze and SRC courses. We will fully support you all the way!!

So, contact Jess in the office and register your interest. We will then be in touch to have a chat. This programme is only available to those who we think will really benefit and contribute.

So Café Menu – Wednesday 07/02/2018

Mexican Night!

Bar open from 5pm and dinner from 6pm

Competition – Peta Watkins

Thank you for all that competed in Sundays Surf League carnival here at Sorrento. You all did an amazing job. We will post results on the Athletes facebook page once they have been released.

A HUGE thankyou goes to Murray Geneff and his crew for working tirelessly with the setup & packup of the event. Much appreciated thankyou Muzz.

Our next carnival is this weekend at City Beach ...so no rest for the wicked.

BOOTCAMP will be back this Sunday, 7am as normal. Numbers have been low to kick this year off. Support it or we will lose it.

Masters - Attention all masters competing at State Championships, there will be a team's meeting next Wednesday 14th February at 6:30pm in the club hall. If you want to be in any form of team, please attend the meeting.
