FROM THE PRESIDENT

Dear Members,

Was great to see all our juniors on the beach on Sunday. Thank you to the age managers for the effort you all put into our junior program. We have over 640 Juniors enrolled in Sorrento which is just fantastic.

I would like to thank Darren Chew from Jim's Skip Bins in Malga for giving us a great deal on the skip bins we had for our busy bee a couple of months ago. If you need a skip bin, we highly recommend Darren. Give him a call on 0400 246 093

Remember our Friday nights are back for the Summer! The bar is open from 5pm and you can cook your own BBQ on the courtyard BBQ's. Bring your family and friends down to watch the sunset.

Ron Morris

President

Club Development – Age Managers In-Service

The Sorrento SLSC Age Managers' Inservice took place over the weekend. We had a great turn out of attendees and even had some members from Alkimos Surf club attend.

Thank you to the coaches Bill Hughes and Jenny Plint for giving up their time to pass on their knowledge and experience.

A big thank you to Shane Burch for sharing his methods and organisation of his nippers group with us, it was very informative and helpful.

Thanks to Andrew Ridley for holding his practical session on the Sunday morning for the Surf Swim side of the Inservice.

Thanks to Ron Morris, Leslie Goodliffe and Anthony Chin for helping to organise our food on the day.

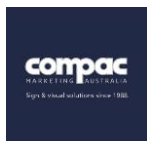

A mention must go to our new Bar Manager Ryan Dhue, for being so accomodating and helpful, prior to and on the day.

Finally - thank you for those that attended. It makes all of our efforts worthwhile when we know that age managers, assistants and therefore nippers will benefit.

Have a great season everyone.

Christine Cougan – Business and Marketing

We would like to say a big thank you to Bunnings in Hillarys for donating a brand new BBQ for our courtyard area. Thanks to Bunnings we can now continue to have our sausage sizzle on Sundays!

Thank you again guys!

Check out their store for great deals!

Youth – Dom Berry

What a great start to the season, with the U/14's starting their SRC training and our older group having a go at ski's and practising for their Bronze/SRC requals. The numbers to date have been very impressive, averaging around 60-70 taking part in the Youth program. However, this fantastic start to the season has only been possible by the efforts of many volunteers giving their time to foster our youth and the future of the club.

The weeks ahead are looking exciting with the weather warming up (fingers crossed) and the introduction to new areas of surf lifesaving, such as boats and IRB's. As always, with a bit of fun along the way!

Officials - Graham Snook

The Competition part of the season is now upon us and I was hoping to have a meeting with all Officials and those parents or new members who wish to become Officials.

I was hoping we could all meet in the Covered Patio of the club on Sunday Morning November 5th at 10am.

This meeting won't take long as I just wish to let everyone know when the carnivals are and what is expected from the club regarding Officials at Carnivals and competitions.

If you are new then the first part of becoming Officials is all online and then you hit the beach.

Cheers and I look forward to seeing you all there!

Education – Stephen Thomas

PROFICIENCIES

The main requal sessions start this weekend. Bronze and SRC Requals will be held at 8am on Saturday and Sunday for each weekend of November. If you wish to do your requal **please turn up at 8am to register**. We aim to run the sessions as long as it takes to get through everyone who registers at 8am.

ARTC requals will also be held this weekend on Saturday and Sunday. Please also register at 8am and depending on numbers (and the need to also do Bronze requal components) we will work out a plan. Further ARTC requal sessions will be advertised as required after reviewing numbers this weekend.

EDUCATION

There is an SRC course starting mid November. If you wish to join this course please contact the office to register.

Starting Saturday 11th November
Duration - 4 weeks.

Theory session: Thursday night's 6:30 – 8:30pm

Practical sessions: Saturday mornings 7:30 – 9:30am.
