## FROM THE PRESIDENT

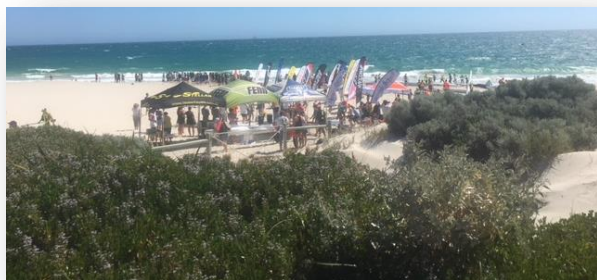

Dear Members,

The weekend saw the club host The Doctor which had a record 450 competitors. A huge thanks to the volunteers that helped out on the day: the boaties crew and youth teamed up to run the bbq while we had some great volunteers making sure that drinks were flowing.

Thanks also to the crew who set up the finishing chute on the beach. There were many comments over the weekend from competitors complementing the hospitality of the club and again, a big thanks to everyone who chipped in and made it a great weekend.

**Ron Morris**

## Club Swim

Sunday 3<sup>rd</sup> December, after the club swim, approximately 9.00am. We will be arranging a Wade Relay.

It will take a few minutes to set up and should be over by 9.30am.

So, organise your team of four. The more the merrier. Maybe, Ski paddlers v board paddlers, v beachies v boaties?

All welcome from under 14s through to the old salty sea dogs.

An official course set with experienced "pole handlers" in Frank Haverkort and Russell Wright giving up their valuable time to assist and act as technical officials in the water.
