## Juniors – Garry Bunford

I would like to say I am so proud of our Sorrento Juniors. We came third overall. The thing that impressed me the most was the sportsmanship and the team work Sorrento had on the weekend. I would like to thank all the water safety, officials and age managers that made the weekend happen. Without you, we couldn't do it.

This weekend is the last day of Juniors. As you can see by the flyer we have a little end of season party with bouncy castles, army obstacles and slip and slides. The juniors will still have their program and then we will start the party! The age groups will be doing the Presidents marathon as part of their session. Your age managers will send you more details on this via email this week. It is \$5 per child and you can collect your ticket on the day.

We also have our Under 10 – Under 13's presentation night on Friday night. The awards will be kicking off at 6:30pm. The bar and food will be available from 6pm so we encourage you all to come down. If you have any questions about the night, please speak to Jess in the office or your age managers.
