# PRESIDENT'S REPORT

Phew what a great season it has been with great results across all facets of our club this is fitting for our 60<sup>th</sup> anniversary.

I personally would like to acknowledge and thank our board of management team for the dedication and hours of work that they have done throughout the season.

Business and Marketing Director – Christine Cougan

Junior Director – Garry Bunford

Lifesaving Director – Laurie Mott

Competition Director – Peta Watkins

Finance Director – Trish Neary

Club Service Director – Anthony Chin

Club Development Director – Adrian Kirkpatrick

On behalf of all club members we thank you for managing the club to the highest degree.

I wish to acknowledge and thank all of our staff including, Admin manager Jess Bunford, Bar manager Ryan Dhue, Bookkeeper Peta Watkins and cleaner Bob Lindsay. You all make our director's role so much easier.

With a member base of 1760 our club remains one of the most active and successful family clubs on the west coast.

I would like to thank all our patrolling members who committed many hours to ensure that our agreement with the COJ was maintained, a big well done.

To our beach committee, thank you for maintaining our patrolling services, you have done a brilliant job as always.

Our patrolling members go far beyond their normal patrol obligations by providing additional services to the community, including abalone patrol. Tri-events, open water swimming and SLSWA events. This service assisted greatly in achieving additional revenue for the club.

To our club assessors, trainers and education team, we thank you for your commitment and hard work in assisting a large number of members to achieve awards such as SRC, Bronze Medallion, First aid, IRB crew and driver.

To Peta Watkins and the competition committee, thank you for your commitment and efforts throughout the season.

To all members, coach's ,officials and support people who participated and committed time to represent Sorrento in IRB, pool rescue, board riding, lifesaving events, beach and water events at our club and the state and national stage, we congratulate you for representing Sorrento with professionalism.

The sportsmanship displayed by members at carnivals, State Championships and Australian Championships makes us all proud of you.

To Garry Bunford and all team managers, assistant age managers and water safety, set up and pack up team and all of our Sunday morning sausage sizzle teams, your efforts are greatly appreciated.

With a junior base of 640 nippers, Sorrento has again displayed why we are run one of the most successful nippers program on the coast.

Our juniors are an integral part of our clubs future by providing a quality program to our juniors goes a long way in ensuring our retention rate is high as our juniors move through to the youth programmes of the club.

A big thank you to all that were associated with nippers this season. The colour run event this was most successful and greatly enjoyed by the large numbers who participated and brought greatly needed revenue to the club. Well done.

To Peter Watkins/Anthony Chin and all associated with the food beverage, clothing and social committees of our club thank you for another successful and wonderful season.

Sponsors are an integral part of the operations and sustainability of the Sorrento SLSC and to that end I would like to thank Christine Cougan who managed this in a very professional manner.

In Addition to our major sponsors City of Joondalup we were able to retain our Gold sponsor Channel 9 and many others we would like to say a very big thank you.

Mick Saunders, thank you for all your hard work and occasional headache for applying and receiving grants that are on offer. Well done on your efforts this season.

In closing I would like to thank all club members and look forward another fantastic year in 2018/2018 season with the best club in AUSTRALIA.

**Ron Morris**

**President**

## BUSINESS & MARKETING REPORT

Sorrento's has had a very hectic and successful season; one of the largest if not the largest West Australian Surf Life Saving Clubs. All areas of membership have been strong this season and our membership has increase to 1768 financial members.

I wish to acknowledge the club's Office Manager Jess Bunford who has worked diligently all year to serve all members; assisting Directors and carrying out a multitude of tasks helping to keep the club running smoothly. A credit to you Jess, we are very proud of you and thank you for your professionalism and work ethic. Jess was shortlisted for the Club's WA Industry awards in June for employee of the year and she came home with a win! Well done Jess!

This year Communication is vital in today's busy world. With the introduction of the Team App it is so easy to keep updated. Hopefully you have noticed all the notice boards with contact details concerning Patrol Captains, and other club positions situated around the boat shed and the Directors Photo Board in the foyer. This is all to keep you the members well informed and easy access to the right person.

This brings me to mentioning the Sorrento Old Salts. A group of people who volunteer their time to assist with maintenance issues around the club. The cost of maintenance is huge and with their kind assistance, helps keep the running cost of the club down. Special thanks to Don Preiato, Alan Colley, Doug Lacklison, Bob Cousins, Neil Rowse, Bob Lindsay, Kim Baird, Lyle Arbuckle and Ian Fieldgate.

Sorrento SLSC is dedicated to being an inclusive organisation. A family orientated and community minded club. This season saw the Dolphin Program, which is participates with disabilities, continue into its third year. Every Saturday morning Sorrento members and friends volunteered their time to run this program providing opportunities in surf and beach activities, swimming, board and ski sessions and lifesaving knowledge and understand with numbers growing. We have also secured a grant for the Dolphin Program and this will allow us to have a co-ordinator to take on the coming season. We look forward to this growing in the future.

The introduction of a patrol rebate last year was a success and will continue next season. Full membership fees apply; however, all eligible will receive a \$60 club voucher to be used in either the uniform shop or restaurant.

Online registrations have increased and we encourage all members to register via [https://pnpnet.qvalent.com/OnlinePaymentServlet?cd\\_community=SLSA&cd\\_currency=AUD](https://pnpnet.qvalent.com/OnlinePaymentServlet?cd_community=SLSA&cd_currency=AUD)

Registration Day this season will be held on Sunday, 19<sup>th</sup> August. This day is for new members. Existing members can sign up any time after the AGM in the office.

Thank you to the Constitution Committee; Jillian Dielesen, Dick Lane and Terrance Colby along with the Disciplinary Committee consisting of Dr Norm Miller, Darryl O'Donnell and Terrance Colby, your support is greatly appreciated.

The Street Appeal this year was well supported by our members and although we raised less money than previous years it wasn't through lack of trying. Street Appeal raised over \$4000.

### Sponsorship and Marketing

Sorrento Surf Life Saving Club relies heavily on the generosity and financial support of corporate partners and private contributors. We have had a long and busy season on our wonderful beach, not to mention the volunteers, plus our team of assessors and instructors and most importantly our energetic nippers and competitors. All of this activity is costly and we must pause to thank the very generous financial support we receive from our extended Sorrento Community.

Our appreciation extends once again to the City of Joondalup who has provided the club not only with valuable sponsorship but greatly assist the staff and Board with problems and other concerns that arise throughout the year.

Nine Network have continued to be gold sponsors, a highlight this year was the Nine news presenting a live broadcast from Sorrento beach on the 18<sup>th</sup> January. Again it was awesome seeing so many of the club's members turning up early in the morning offering their support.

This year North Shore Tavern supported the club as a silver sponsor, and proudly hang an old boat of the club's from the ceiling in their Tavern. They kindly offered our members discount cards for use at their bar. We encourage Sorrento members to reciprocate and patronage the Tavern.

We continue to enjoy a cooperative partnership with the Marmion Angling Club, patrolling their beach especially on Sundays during their Junior sessions and providing equipment for the club's use. This year they were able to support the club through silver sponsorship, which is greatly appreciated.

Thank you to Hillary's Boardwalk who has continued as a Gold Sponsor and we reciprocate by patrolling Hillary's beach every weekend throughout the season.

Our appreciation to Bronze Sponsors; RJ Electrics, Liquor Barons Hillarys, RBD Building and Maintenance, Detail West, JBM Finance, Realmark (Brad and Kate Hardingham), Mills Charters, Complete Cabling and Tint Works.

Sponsorship through cash donations, equipment purchases, goods and services in kind or other initiatives, plus profitable fundraising are greatly appreciated and all contribute to the smooth running of the Club, maintain lifesaving equipment and other club facilities. This allows members to concentrate on the club's core role; of providing lifesaving services to Sorrento beach in a safe, professional, inclusive and enjoyable environment.

At Sorrento Surf Life Saving Club we need to say a huge thank you to each and every one of our sponsors; we really appreciate your ongoing support and encouragement. Thank you to everyone involved in the Small Business Club.

In its third year the Watermans to the Wall event was a huge success with over 285 swimmers entered. I wish to thank the hard work of the committee this year, Ron Clarke, Dave Norton, Jeff, Garry, Helen and Jess Bunford. All of our funds for the Watermans to the Wall goes to the Sorrento SLSC building fund.

## Grants

In the last financial year we have applied for over 5 grants to assist us in providing our services to both the community and our members. There are many criteria in which the club falls, community services, education, children, sport and emergency preparedness. Although this is a wide range understanding what the grantor wishes to achieve can be difficult.

We have had some outstanding success this year, of the 5 we have been successful in 4 of them, with the other one still pending. Those 4 grants were worth \$45,000 which we've used to purchase new equipment and training of staff.

Thank you to Mick Saunders for applying for these and getting the club these funds. Your work is amazing.

# LIFESAVING REPORT

This was my first season as Life Saving Director taking over the position from Garry Bunford who has filled the position for the last four seasons.

I would like to take this opportunity to thank all that have assisted me in the club's Life Saving function which includes patrols, lifesaving, first aid, equipment maintenance, external events coordination, IRB/Jet Ski and requalification of awards.

I wish to thank the members of the Beach committee for their work this season. The Beach Committee team's role is to manage these functions during and out of the season, which was done with professionalism and enthusiasm.

The Committee consisted of the below

Laurie Mott – Lifesaving Director

Stephen Thomas - Looking after education, first aid and requalification

Colleen Blevins - Coordinating external events which are an important fund raiser for the club

Aran Buckley - Looking after IRBs and, assisted by Richard Elderfield (Jet Skis)

Ruth Krammer - Being the patrol officer, coordinating beach patrols

Craig Gamble– Responsible for equipment maintenance in the position of equipment officer.

Damien Newbold - Assisting myself in the director's duties.

I would also like to thank the Beach Committee and the many club members who supported Life Saving during the year by assisting in patrols, external events, training or other support function.

Congratulations to this year's award winners for the 2017/18 season.

## Patrols

We achieved over 8,600 patrol hours for the season which was more than 500 hours greater than last season. Ruth Krammer co-ordinated the patrols this season, fulfilling the difficult position of patrol officer. This was the first full season of patrols with the Beach enclosure in place. The beach enclosure is becoming a popular destination for beach goers, attracting more people to our beaches. Over all a great effort by the patrolling members, who performed rescues ranging from pulling people out from the ocean & performing CPR through to bin diving to rescue car keys for beach goers.

Also, a special thank you to all members involved in the rescues and subsequent unsuccessful resuscitation attempt.

## First Aiders

Last season the patrolling first aider's initiative commenced and our current season saw a small number of first aiders join patrols. This initiative is still in its formative with first aiders requiring an advanced first aid certificate without an SRC or Bronze certificate. Their function was to provide first aid only and allows qualified members to participate in rescues. In addition this season a first aid "community" has been created to allow those members interested to gain additional skills and practise.

During the season first aid equipment and stores have been simplified and rationalized making it easier to maintain stocks and reducing equipment costs

## Water Safety Events

This year we participated as water safety in a number of events including the Trievents, Rottnest swim and North coast Tri club. These events are a significant revenue stream for the club.

I would like to thank all who participated in these events with a special thanks to Colleen Blevins who spent many an hour organising members to attend these events, coordinating the water safety as well as attending all events. Also, a special mention to all of the IRB team who were usually the first to come in to set up water safety and the last to leave.

## Abalone Patrols

Again this year a great effort to all members who participated in the Abalone patrols which were moved to Saturdays this season. Colleen's efforts resulted in a great turnout for these patrols with the club a major contributor of resources. Thanks to Colleen, Malcom & Sue for being area & section coordinators for these patrols.

## Education

Education again rose to the challenge of training and requals

with approximately 135 members completing training this year and over 400 rescues undertaken. One of the initiatives implemented by Stephen Thomas this season was to try and identify & train up younger members to be trainers and assessors. This will carry through next season.

**Additional Equipment**

During the season we took delivery of an additional ATV to assist in patrolling the beach. This has proved to be a useful and valuable addition to our equipment fleet.

Grants this year assisted in the purchase of two defibrillators, first aid backpacks and an additional rescue board. These will greatly assist in our life saving efforts over the coming season.

# JUNIOR'S REPORT

Sorrento juniors continues to manage a large volume of nippers; 670

The junior age managers and coaches delivered a successful season doubling previous season's numbers of people attending training sessions. We also managed to for fill our education commitments for the season.

My time on the board of management has ended and there are so many people that I need to thank so if I forget your name please forgive me but please know I truly thank you for your help and support over the last 7 years. I would like to thank my wife Helen and family Evan and Jessica for their support over the last 7 years while I have been on the Sorrento Board of Management. I could not have done this without them and their amazing support.

This season we saw the introduction of under 8 and under 9's in competition and as normal Sorrento lead the way helping to make it the success it was. Sorrento little nippers certainly lead the way. Sorrento juniors came third overall in the WA State Championships this season, clearly making our club the club of choice and confirming that Sorrento Juniors are moving in the right direction. You can find all the results from the SLSWA State Championships on this link - <https://www.mybeach.com.au/members/surf-sports/competitions/sunsmart-wa-surf-life-saving-championships/>

We anticipate the Junior Age Committee and Age Structures will continue to provide the energy and guidance to parents to further improve our position in season 18/19. Sorrento is particularly proud to facilitate nipper development for all aspiring youngsters, whether it be based around Sunday nipper activities, life skills or competition. We are highly focussed on both land and water with both areas receiving due focus and necessary support, with even further focus being planned for next season. Initial seasonal focus was based on every age group nipper consciously achieving their respective surf award, in line with SLSA requirements.

One of our primary challenges in a club of our size is providing effective communication across all families. This season with the help of Jessica Bunford from the office and our age managers we have tried to improve our communication to all families.

I am truly in awe of all the volunteers that help the club in summer and winter and I would like to thank the following people who volunteer each week with the children of our great club your age managers.

# CLUB SERVICES REPORT

## Bar and Café Operations

Ryan Dhue was appointed as Bar Manager at the beginning of the season and is to be commended on his diligent work and organisation of the bar team. Ryan decided not to continue in the role from May. The committee has supported a change in the role to be more catering focussed and as a result Holly Beggs has been appointed as the casual catering supervisor.

This season saw a drop in bar revenue in comparison to last year, likely to be reflective of less activity in organised social events. Café revenue and profitability was improved from last year due to consolidation of suppliers and focus on improving service times and menu selection.

A review of catering equipment is currently underway with recommendations to improve capacity and service times to be presented to the committee for review.

## Social Club

The glittering 60<sup>th</sup> Sorrento Surf Life Saving Club Awards dinner was successful held at Ambrose Estate and was attend by over 100 club members and dignitaries. The social committee is to be commended on their hard work to organise and deliver a great event.

Successful social events require support from club members not just to attend but to get involved in the planning and execution. The social committee is looking for people to join the committee to provide ideas to bring club members together more frequently. Ask not what your club can do for you but what can you do for your club!

## Uniform Shop

Despite challenges with suppliers to deliver stock in a timely manner the uniform shop with the wonderful support from the volunteer staff provided great service to the club with uniform sales generating turnover of \$65k with a small profit. The Aussie's shirt proved popular as did the juniors state championship shirt. Lessons learnt to implement for next season will include earlier ordering of key items, relocation of the shop during the start of the season to cope with large volumes of shoppers and early discussions with various committees and user groups to determine uniform needs for the up and coming season.

## Facilities

Club facilities have been slowly improved over the season. New ceiling fans have replaced the old metal ones. 15amp power has been installed inside the hall and outside in the courtyard to enable the flexible use of the hot buffet unit to improve food service.

Government funding will see the roller doors to the shed replaced and a new waste contactor has been appointed providing better and more cost effective waste removal.

## Youth

**What an amazing season our youth have had this year! Below are some of the things we have got up to this season!**

Had U14 sleepover to kick off the season – which has been running for a few years now.

Had 11 new youth sign up to U14s – most of whom had never done surf club before – so that was great.

Did SRC course for 6 weeks – and had 42 U 14s finish the course – out of 42 people as well as 4 youth from U15s who were unable to do the course during the season before.

All of the youth who completed the src were provided with their uniforms and not only did their required patrol hours but many did extra hours – simply because they wanted to or they were filling in for other youth. our trainers were fantastic and it was a tremendous effort and certainly kept the youth at the club.

The youth also had the yip point programme – which many completed various levels of it and were presented at the end of year function – by Dale – who went through the activities each youth had done in order to accumulate the points – and it was very impressive.

The youth had Sunday mornings on the beach where they did water based activities, one time had a volleyball game, did board training, land based activities and team building exercises – had a good turnout throughout the season – and there were at least 10 youth there – even on the holiday Sundays.

Had end of year social function at the Osbourne Park bowling club – with feedback from the members of that club saying that not only was it the largest group they had hosted there it was a great group – well-mannered and that we would be welcome back any time – good turn out and very positive way to end the season.

Youth could also help out at dolphins on Saturday mornings – which 2 of our U14s did – and loved it.

Youth helped out at BBQs such as the regular sun after nippers BBQ, the fund raising Australia day BBQ.

Youth provided water safety for different age groups on some Sundays – or simply helped out in whatever way was needed for nippers groups.

Selected youth participated in the camps – which were a great success.

Youth who compete participated at the Aussies – which was fantastic.

Chris Milne ran the surf ski component where we had all the U14s and some U15s complete a have a go day at Hillarys marina with surf skis – mentors volunteered from the established ski groups and the day had to run over 2 dates due to the large numbers – from this we got 22 youth who wanted to continue onto the 6 week course where mentors came and assisted les leanne

and Chris – to further develop their ski technique – mainly at the marina – and had excellent support from the parents – loading and unloading skis from surf club and at marina and towing the ski rack etc.

From this group 2 were promoted into the thus morning paddling – Emily Rance and Ellie Clarke – as they were capable of doing that and both have attended some sessions. The others – as well as the above 2 are also offered ski training – at Sorrento beach – each Sunday morning – weather permitting – throughout the year. Last Sunday Chris said there were 8 youth there as well as a number of mentors and even some parents of youth who were interested in giving it a go.

Some youth furthered their education by doing first aid courses that were on offer

Some did march past – and competed at Aussies.

Many participated in the training squads offered throughout the week during the season as well as early Sunday morning

All u14s on Sunday mornings participated in the club swim – which swelled the numbers there – basically every Sunday morning the youth sign in with me, then sign in at boat shed for swim – then do club swim and head to our flag – which is the green and white Sorrento club flag – and do beach and water activities until about 10.30/10.45 – then many headed back to club for sausage sizzle

Youth volunteered for additional patrols such as abalone patrol

Youth were made aware of how the bronze course is recognised in relation to highschool graduation and can also be used for things like Duke of Edinburgh – which a number of youth are in the process of doing

Did information evening for u13s – black caps – who are joining youth next season – to make them aware of how great youth is and what we have done this season

### **YIPS Program**

YIP is designed to motivate, recognise and reward youth, while providing them with the opportunity to explore and become involved in a range of areas within surf lifesaving which they may not have previously considered. The program rewards and recognises youth participants for their commitment. It sets achievable goals to encourage on-going participation across a range of lifesaving activities while promoting leadership skills, personal development and social interaction with peers.

YIP also encourages a sense of organisational commitment and pride and assists the club with the process of succession planning through the identification of future leaders. YIP is a recognition and reward program that is self-paced and can be completed in three years (give or take), depending on the member. The rewards program operates utilising a similar concept to that of frequent flyer points where participants collect points for being involved in a range of lifesaving activities. The more activities they engage in and the more hours they volunteer, the greater the points collected.

14 youth achieved YIPS Awards this year:

**Bronze (150 points)**

Kye Bostwick U17

Tyson Cook U15

Tara Corrigan U17

Julius Formato U14

Leo Harvie U14

Macy Horne U15

Caylee Margach U14

Pia O'Flynn U14

Mitchell Pescud U14

**Silver (250 points)**

Ellie Clarke U17

Amy Harrison U14

Lily Wainwright U15

**Gold (400 points)**

Tim Berry U17

Declan Burke U18

A fantastic 41 U14's passed their SRC this season and commenced patrols for Sorrento SLSC.

A big thank you to the ladies in the uniform shop, Rita Berry and Ruth Hazell, who sourced and arranged embroidery for the YIPS towels and jackets.

And from the youth, thank you to Wendy, Adrian and the board for supporting the YIPS at Sorrento.

# COMPETITION REPORT

We had to endure even more changes within competition this season with the introduction of the Surf League carnivals. There were many positives in the running of these carnivals including time efficient, however they certainly set challenges as a club to form each teams. Our Coaches often tearing their hair out to find to right mix of athletes. This is a team based competition in a similar style as the existing interstate and World team competitions. Each team were to include a Surf boat crew, a sprinter, a swimmer, a board paddler & ski paddler with at least 4 males and four females in each team. This is where the challenge was set across many clubs, to make up these teams. Clubs could mix with other clubs if required, for example they may not have a Boat crew.

On a whole the competition was taken on with great encouragement and it will be interesting to see if this continues next season.

Considering Sorrento are continually struggling within our water disciplines our success overall was without a doubt nothing short of outstanding. Our Beachies once again absolutely dominating the competition here in WA. This along with our R&R "Rescue & Resuscitation" & March Past set Sorrento in good sted for an amazing year.

Our R&R discipline spend many tireless hours struggling to get teams together to train. Compliments to Darryl O'Donnell & Theresa Gartland, Sue Lemmon & Mick Saunders for all your hours of commitment. And then of course our March Past teams, coached by Ken Jenner & Roger Nowell. Again, many tireless hours spent pounding the sand to finally make that elusive Gold trophy in both teams at States.

Our Boaties had an amazing year as well this year. There were many boaties, especially women, challenging for seats in boats which is a great position for any club to be in. Thank you to Muzz, Watto and all your amazing helpers. See Muzz's report for more detail.

We finished SECOND overall at the completion of Senior State Championships in March this year.

This is a massive achievement. I took the liberty of researching the past six years to see where we have finished prior to now:

2012/13:	1 <sup>st</sup> – Trigg	2 <sup>nd</sup> – City Beach	3 <sup>rd</sup> – Sorrento	
2013/14:	1 <sup>st</sup> – City	2 <sup>nd</sup> – Trigg	3 <sup>rd</sup> – Sorrento	
2014/15:	1 <sup>st</sup> – Trigg	2 <sup>nd</sup> – City	3 <sup>rd</sup> – Mullaloo	4 <sup>th</sup> – Sorrento
2015/16:	1 <sup>st</sup> – Trigg	2 <sup>nd</sup> - Mullaloo	3 <sup>rd</sup> - Sorrento	
2016/17:	1 <sup>st</sup> – Trigg	2 <sup>nd</sup> – City	3 <sup>rd</sup> - Sorrento	
2017/18:	1 <sup>st</sup> – Trigg	<b>2<sup>nd</sup> – Sorrento</b>		

I'd like to Congratulate ALL athletes plus Coaches, Captains, Officials, Scorers & Helpers for everything you have done for Sorrento this past year. Without ALL of you the above would not have been possible. Well Done. Please find following our individual discipline reports.

## Board Report

This season our junior squad was led by Bill Hughes and our senior squad was coached by Callan Preiato.

We have a small senior squad of dedicated athletes who consistently attend training and were rewarded with some impressive results at this year's State Titles. Here are some notable winners:

- Tim Berry, Daniel Snook and Ben Waterman came away with 3<sup>rd</sup> in the Board Relay
- An outstanding paddle by Sienna Berry in her board race saw her take home the silver medal.
- Ben Snook: 6<sup>th</sup> individual board
- Tim Berry: 5<sup>th</sup> Board Race
- Lucas Wilson: 1<sup>st</sup> U/14 iron
- U15/girls: 5<sup>th</sup> board relay

This season we were lucky enough to purchase three new Kracka boards for our up-coming youth athletes.

Also, a special mention to Tom Wisken who has been doing a fantastic job throughout the season repairing boards. On that note, if you are paddling a club board and it needs repairs please see me (Ashlee Booker) as I will be taking care of that next season. Remember, check the board before taking it out and let someone know if you damage it so the repairs can be sorted.

Looking forward, the key message I have for the board squad is that if you want the results at States and Aussies you need to be prepared to train hard, work on your technique, commit and attend training throughout the entire season. The squad size I saw a week out from Aussies would be my goal for the upcoming season. The more people in a squad, inevitably creates competition along with comradery. These two elements are keys for success. To the incredible swimmers out there in our club, join us for at least two board sessions each week. We would love to have you! Let's take these 5<sup>th</sup> places in relays, to medal wins.

Furthermore, it is certainly not ALL about winning (that's my motto) but keeping our mind, body and soul healthy. This sport we are lucky to have found ourselves in provides us with a place to exercise with like-minded people of all ages. I recognise busy school and work life can be difficult to juggle however consider this quote by Kenneth H Cooper:

"The reason I exercise is for the quality of life I enjoy."

Kenneth H. Cooper.

See you on the beach!

## March Past Report

What a successful year we have just had!

State Titles	Australian Titles
1 <sup>st</sup> Open March Past	3 <sup>rd</sup> Open March Past
1 <sup>st</sup> Under 23 March Past	2 <sup>nd</sup> Under 23 March Past

Our success is a result of a number of years of training, with a bit of fun along the way. With our Under 23 team we have a long future. Thanks to our Facilitator Roger Nowel. There is no doubt we have the best team uniform in Australia.

Open Team	Under 23 Team
Murray Geneff Russell Wright	Chloe Harrison Elise Airey
Danny Barclay Rob Doherty	Annelise Pring Zoe Bain
Bob Lindsay Mark Gannon	Caitlin Humphreys Samantha Saunders
Trish Neary Kevin Haynes	Paige Higgins Elsie Godderidge
Rita Berry Ken Jenner	Caitlin Murray Alana Humphreys
Leigh Nash Jenny Colyer	Darby Gartlan Amy Harrison

## Rescue & Resuscitation Report

It has been a long season with highs and lows. We entered the most R&R teams ever at Aussies, had an outstanding States but sadly lacked support from SLSWA.

MEGA-BIG thank you to our senior coaches Darryl (Opens) and Theresa (Juniors); our coaching panel of Darby, Annelise, Samantha and Sue. Also, Roger and 'Woz' for providing feedback to teams to improve technique. The development coaching by Theresa with our Nippers is unparalleled. Current and former R&R kids combined in the U23's Marchpast winning the State Championships and Silver at Aussies (Sorrento's first medal in March Past history – just beating the Opens). Thank you, Theresa for your hours of development with these kids.

Our Open teams excelled at States with three Gold and four Silver; winning the six person flag back to back. Unfortunately, no medals at Aussies with fourths and fifths, teams performed magnificently in very trying conditions.

## Boat Report

What a 12 months, from the amazing King George Sound of Albany in June to the Avon valley in August then up to the wind swept (even by local standards) beach of Geraldton in January, back to Perth for the State and Aussie titles April.

It has been one of the most eventful, challenging and successful seasons in a while. We have had Rowers injured, Keels torn off, Boats damaged, Oars snapped, Partial nudity, Bones broken but a lot of fun and plenty of laughs.

The Shark Bait crew rowed above and beyond making the quarter finals at the Aussies, Blonde Bomb Shells were always ready to have a go. Silver backs had a good crack and laugh along the way. The Psychos also represented the club well. There were numerous changes and swaps with in the crews due to various different reasons. Medals won and State Masters, Aussie master. Great results!

Thanks to all the Boaties for your efforts, your wiliness to step up and in to fill a gap and most of all your passion for Surf Boats.

Special thanks to Watto, Sam Gannon, Claire & Rowsie. Thanks also to JAD Enterprises for keeping the trailers and pumps going. Massive thanks Greg from GT Fiberglass for ALL the URGENT repairs that you sorted at the drop of a hat even on a Sunday afternoon.

## **Officials Report**

The Surf Season 2017/2018 has concluded and it was a very successful season for Sorrento Officials.

We have had a core group of Officials who have been involved in every event this past season starting with the IRB series followed by Pool Rescue and then into the summer series of carnivals and all performed their roles exceptionally well.

I would like to let everyone know some of the outstanding performances by our Officials.

We as a club supplied the Carnival Referee and Deputy Referee for the State Endurance Championships.-Graham Snook and Janine Boyle.

The club also supplied Championship Referee for the Little Nipper States- Garry Bunford

In a first We supplied all 4 Water Sectional Referees in the Junior State Titles.-Roger Nowell Gary Bunford Janine Boyle and Graham Snook.

At the Open State Championships we had 2 Water Sectional Referees- Youth was Graham Snook and Ladies was Janine Boyle.

We supplied Officials in all areas at the Australian Titles.

In the Boat Arena we represented by Chris Hainsworth and Cathy Park.

In the R&R area we had Sue Lemmon

When it came to IRB officials at Carnivals we were led by Kingsley Smith Ian Smallwood and Aran Buckley.

If I have forgotten anyone I'm sorry but as we had so many it is hard to know who you all are.

In regards to members who wish to become Officials it is all done online so you can become an Official whilst sitting in the comfort of your home.

I would like to thank the Club for supporting me this year in my role of Officials Officer.

I would especially like to thank my wife Julie who has had to put up with me going to carnivals early and staying late at Carnivals and also to my children Daniel and Ben who sometimes also have to get to Carnivals earlier than they wish or stay later than they wish.

**Graham Snook**

**Officials Officer**

## **IRB Racing Report**

To start, I would like to mention that IRB racing isn't just a bunch of people who are just here to have a fun time and get some high action thrills. The IRB racing team work all year round not just on racing during winter but through summer doing water safety, maintaining the boats and engines.

The team put hours put into training by doing the little things like turning, picking up patients, negotiating surf, all these help to increase are abilities as IR drivers and crews.

Last season we had a fantastic season and we ended up in a lot of semi finals and some finals but still medals elude us even with the fantastic support of everyone in the team. The team is like one big family we are trying to grow this little team into a big one so we can rival some of the bigger clubs. We are growing and learning every year and there will be great things to come so look out the Sorrento IRB racing team are coming.

“I think we’re going in the right direction “

**Evan Bunford**

**IRB coach**

## **Beach Report**

The 2017-2018 season for the Sorrento Beachies was nothing short of stellar! Once again with our team culture and the senior group all helping with coaching and mentoring duties and our amazing parent group, the team excelled!

First thank you to Johnny Hackett as Beach captain, Claire Rafferty, Jeremy Plint, Jackson Symonds and Jackie Lord for all taking sessions when I couldn't and Jacko for once again providing technical training to the team. Thank you to Tony and the trainers at Peak Body who made a difference to the performance of the Beachies and of course all our amazing parents who always put their hand up to help!

We once again had State representatives go away for both Senior and Youth competitions including Jackson Symonds, Charlie Rigby, Sydney Rafferty, Taylah Rafferty, Cristian Sayers (couldn't attend) Tyson Cook, Jared Thompson, Ollie Weymouth and Sienna Algeri. Jackson Symonds and Sydney Rafferty were also selected to compete in an Ocean 6 series during the season.

States had some disappointments in unlucky lane draws, dropped batons and DQ's, but also saw some great performances!! One being Charlie Rigby taking out both the U19 and Open sprint from reigning champ Jackson. We picked up 1,2,3 in the open male sprint, u17 female sprint, U15 male flags, 1,2 u19 male flags, U19 male sprints and Open male flags. Our youth athletes in u14 did an amazing job at their first senior States as well coming away with a few medals. We also had finalists in every event we entered.

Aussies was huge with finalists in every event we entered. Jackson took out his 4<sup>th</sup> gold in the open male sprint being the first person to do this in 53 years. Charlie Rigby also took out his 3<sup>rd</sup> consecutive sprint gold in the u19 sprint, Sydney Rafferty took home bronze in the U17 female sprint. In the relays we dominated, Gold in u15 male relay, U17 female relay, U19 male relay and Silver in U17 male relay and bronze in U19 female relay. Some of our athletes ran in 3 relays and up to 9 times in one day! Charlie Rigby, Sam Hodgkin, Sydney Rafferty, Charley Rafferty, Amy Breeman, Tai Kirkpatrick all ran multiple times in multiple relays!! We didn't pick up any medals but had finalists in all the events we entered and had a few 4ths and 5ths!

It's hard to condense the amazing season we have had into a one-page report so hopefully the highlight reel above gives half of the indication of the amazing efforts!

Lastly a massive thank you to the team for putting in the hard work and supporting each other throughout the year! You are all champs!

**Jenny Plint**

**Beach Coach**

## Swim Report

Our club offers swimming opportunity twelve months of the year with Stingers Swimmers hitting the ocean on Sunday mornings over winter, Winter and Summer Swimming offered for our Juniors, Youth, Senior and Masters, strong representation by Sorrento in the winter pool rescue series and associated training as well as strong representation in the water events over summer.

The 2017/2018 competition season for our swimmers started 12months ago during winter with both the Pool Rescue Series and 2017/2018 SLSWA Pool Rescue State Championships. Our athletes trained weekly for the Pool Rescue Series between May – August. Pool rescue brings all of our clubs disciplines together with ski and board paddlers, beachies, boat rowers and swimmers pulling on the green cap in the winter months for a fun day out at the pool. Sorrento finished in a strong third place in the Nippers point score behind Fremantle and Trigg Island, second in the Senior point score behind Trigg Island and third in the Masters point score behind North Cottesloe and Fremantle. Congratulations to the athletes who represented Sorrento with special mention to those that medalled across the two-day event.

Sorrento's strength in the Pool Rescue discipline was recognised with four athletes selected to represent WA in the Surf Life Saving WA State team in Adelaide (August 2017). Congratulations to Ben Waterman, Dayna Tindall, Drew Corrigan and Tara Smith who helped WA cement their third place standing behind Queensland and NSW. The state team events are combined with the Australian Pool Rescue National Championships and our above listed athletes, along with masters athlete Andrew Ridley performed some outstanding swims with many personal bests.

Congratulations to Australian medallists:

Silver: Andrew Ridley – Men 30 -34 Years 200 LC Obstacles Race.

Bronze: Dayna Tindall - Women 13 Year Olds 200 LC Meter Obstacle Race. Andrew Ridley - Men 30-34 50 LC Meter Manikin Carry. Andrew Ridley - Men 30-34 100 LC Meter Manikin Carry w/Fins Masters.

In the surf our team is small but displays and great talent which was highlighted, especially in our youth age groups with some great results. On a national scale stand out performances from Ash Booker, Jessica Madden, Dayna Tindall, Ella Packer, Billie Armstrong and Lucas Wilson made for some exciting spectating.

Congratulations to Australian medallists:

Silver: Ashlee Booker – Female 30-34 Years Surf Race

Bronze: Janie Rowse – Female 65-69 Years Rescue Tube Race

At the little nipper and junior state titles Sorrento is showing some real dominance in the water. Individual swim medallists included Martha Chin, Shore Povey, Shay Burke, Leo Whelehan, Bronte Begley, Freya Lauren Weston and Liam Foley. Our U/10, U/11 and U/12 boys also showed their strength medalling in surf teams events.

Sorrento SLSC has a history of running quality club events and the Mile Swim, Presidents Marathon and Sunday morning swim series were no exception. Due to timing and date changes the Mile Swim and Presidents Marathon had lower than normal attendance in 2018 but were great days on Sorrento beach with some quality racing. I encourage all members to get behind these club events next season. Special thanks to Jeff Xavier for your work during the season with our timing and event support and congratulations to all participants place getters.

The Watermans to the Wall Swim, the last official Open Water Swim on WA's calendar continues to evolve. This was my second year swimming the event and I am again confident to say it is one of the best run open water swims across the coast. More than 180 individual swimmers enjoyed a great event and helped raise funds for the clubs building fund. Congratulations to the committee lead by Helen Bunford on your hard work.

Sorrento is fortunate to have a large group of passionate coaches that assist with our swim training. To our coaching team who run both pool and ocean sessions for our members we thank you. You are passionate and the work you do in developing our members is outstanding.

# FINANCE REPORT

It is with pleasure that I present the Financial Statements for the year ended 30 April 2018.

A current focus of the Club has been and will continue to be a drive towards having adequate funds available for the proposed redevelopment of the club rooms. All budgets presented and set in place at the start of the season were adhered to and we have returned a surplus of \$148,424 for the season with a net asset position of \$1,053,444 as at 30 April 2017.

The finances across all service areas are well planned and disciplined. I would like to make special note of the excellent efforts of Christine Cougan and Mick Saunders in once again successfully sourcing government and corporate grants. Most of the capital expenditure for the season was covered by these grants meaning that we are in the position to transfer cash reserves to the building fund. As such we have been able to utilize the bulk of the operational surplus from the last two seasons and an extra \$150,000 was transferred to the building fund term deposit on 17 May 2018.

The building levy raised \$17,535 during the year. From this \$28,136 was expended on the planning stages for the new building. Together with the transfer mentioned above the balance of the building fund reserve now currently sits at \$242,081.

Capital expenditure for the year of \$54,769 was used to purchase competition equipment, IRB, lifesaving equipment, replacement of flagpoles and continued re-investment in junior boards. The Board has not recommended an increase in membership fees for the 2018/19 season. I would like to thank the Board for their support over the season.

## **INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 30 APRIL 2018**

To the members of The Sorrento Surf Life Saving Club

### ***Report on the financial report***

We have audited the accompanying financial report, being a special purpose financial report, of The Sorrento Surf Life Saving Club, which comprises the Balance Sheet as at 30 April 2018, and the Trading Account and Statement of Income and Expenditure for the year then ended, and the Management Committee declaration.

### ***The responsibility of the Management Committee for the financial report***

The Management Committee of the entity are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies used are appropriate to meet the financial reporting requirements of the constitution and are appropriate to meet the needs of the members. The Management Committee's responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### ***Auditor's responsibility***

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian auditing standards. These auditing standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by those charged with governance, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Management Committee's financial reporting responsibilities under the constitution. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Independence*

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

### *Matters relating to the electronic presentation of the audited financial report*

The auditor's report relates to the financial report of The Sorrento Surf Life Saving Club for the year ended 30 April 2018 included on The Sorrento Surf Life Saving Club website. The association's Management Committee are responsible for the integrity of The Sorrento Surf Life Saving Club website. We have not been engaged to report on the integrity of The Sorrento Surf Life Saving Club website. The auditor's report refers only to the statements named above. It does not provide an opinion on any other information which may have been hyperlinked to / from these statements. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report to confirm the information included in the audited financial report presented on this website.

### *Qualification*

Receipts from donations, bar takings and other fundraising activities are a significant source of revenue for The Sorrento Surf Life Saving Club non-reporting entity. The Sorrento Surf Life Saving Club has determined that it is impracticable to establish control over the collection of donations and other fundraising activity revenue prior to entry in its financial records. Accordingly, as the evidence available to us regarding revenue from these sources was limited, our audit procedures with respect to donations and other fundraising activity revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion on whether donations and other fundraising activity revenue obtained by The Sorrento Surf Life Saving Club are complete.

### *Qualified audit opinion*

In our opinion, except for the effects on the financial report of such adjustments, if any, as might have been required had the limitation on our audit procedures referred to in the qualification paragraph not existed, the financial report presents fairly in accordance with the accounting policies, the financial position of The Sorrento Surf Life Saving Club at 30 April 2018 and the results of its operations and its cash flows for the year then ended.
