Mark Lewis			

## MEETING DECLARED OPEN AT 6:50PM

Ron Morris declared the meeting had enough voting members to proceed.

**65:** Attendance      **9:** Apologies

## CONFIRMATION OF PREVIOUS AGM MINUTES 2019/20

- Motion to accept and confirm the minutes by Neil Rowse
- Seconded by Craig Croke
- Carried by the members present

Business arising from the previous minutes: No Business raised

## Review of the 2019/20 Season

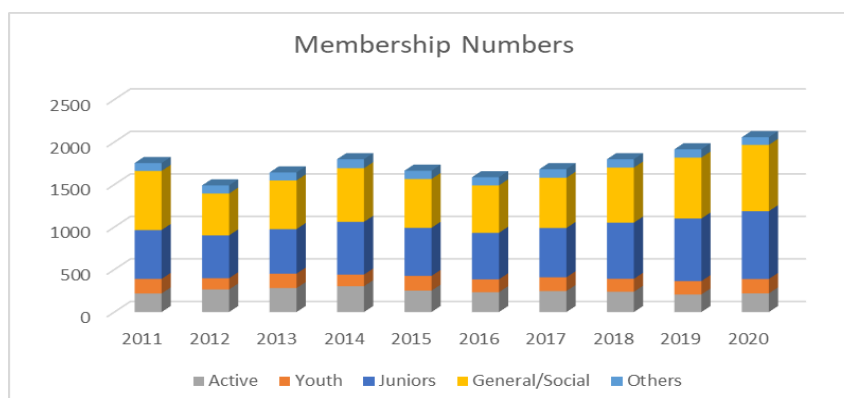

### Presented by: Ron Morris – Club President

- Ron personally thanked all individual paid staff: Jess Bunford Administration Manager; Peta Watkins, Bookkeeper and Bob Lindsay, cleaner and Amanda Doherty, Bar Manager for their ongoing commitment to the club and their paid roles.
- Ron thanked all our members that volunteered throughout the season, without them the club would not run smoothly.
- All disciplines were extremely successful and the rewards will be noted further in the meeting.

## Business & Marketing Highlights (Christine Cougan)

### Presented by: Ron Morris – Club President

- Total Number 2,057
- 76% involved with the Nipper Program
- Active 18+, numbers static at 200-220 but in decline since 2013/2014

## Thank you

### Administration Staff

- Jess Bunford (Club Office Manager) and Peta Watkins (Bookkeeper).

### Constitution Committee,

- Janie Rowse and Adam Duffy.

### Disciplinary Committee

- Dr Norm Miller, Darryl O'Donnell and Russell Wright.

### Life Member Committee

- Murray Geneff, Terrance Colby and Russell Wright.

### Sorrento Old Salts.

- Don Preiato, Alan Colley, Lyndon Bird, Doug Lacklison, Bob Cousins, Neil Rowse, Bob Lindsay, Kim Baird, Lyle Arbuckle, Ian Fieldgate, Steve Parkinson and Ken Jenner.

- The Street Appeal this year again was very disappointing, with very few members getting involved.
- Successful Grant applications (\$43,761 in total)
  - Stronger Communities, supported by Ian Goodenough – Ford Ranger
  - City of Joondalup – Bennett rescue boards and tubes
  - BRP & SLSA – Can-am Defender
  - Volunteer Grants, supported by Ian Goodenough – new office computers

**SORRENTO**  
SURF LIFE SAVING CLUB

## Life Saving Highlights (Garry Bunford)

Presented by: Ron Morris – Club President

The Committee consisted of the below  
Garry Bunford – Lifesaving Director

Leif Hinrichsen - Patrol Officer and coordinating beach patrols.  
Christine Cougan – Assistant Patrol Officer

Evan Bunford – Lifesaving Officer.

Stephen Thomas - Education and Requals.

Volunteer members – Who coordinating external events, which are an important fundraiser for the club.

Aran Buckley - Looking after IRB's.

Ian Smallwood – Looking after the IRB engines assisting Aran Buckley.

Chris Hainsworth – Looking after the Jet Skis.

Muzz – Responsible for equipment maintenance in the position of equipment officer.

Barry Rogers – First Aid Officer.

Gerry McLennan - Making sure the fuel was full in all vehicles and boats.

- **We achieved 7,130 rostered patrol hours on the beach this season, although this number is slightly down from last year, it is still a great effort by all of our 388 volunteer patrol members.**

## Junior Highlights (Keiron Burke)

Presented by: Ron Morris – Club President

- Sorrento has the largest number of registered nippers involved in the Woodside Nippers Program in SLSWA
- Sorrento has the largest and most comprehensive training program offered to nippers along the coast. This includes Boards, Swimming (H2O), Beach, R&R, March Past and Pool Rescue. Training is open to nippers that have passed the necessary proficiencies. Implementing a tiered structure has given us the ability to allow all nippers at whatever level an opportunity to have a go. Of course, this is always determined by the weather and qualified volunteer numbers at each training session.

- Sorrento has the largest team of Assistant Age Managers and parent volunteer in different roles throughout the club.
- Sorrento is continually embracing the competition side of surf sports. This season we had the largest numbers registering for all competitions including Little Nipper Carnivals, Nipper Carnivals and of course the Country Carnival.
- *And most importantly* Sorrento has the highest club attendance at any Sunday morning Woodside Nipper Program. It fills me with joy to know so many of our nippers from U/6 through to U/13 are using Sunday mornings to get educated in surf awareness, promoting community involvement, a healthy lifestyle and increasing personal fitness including family members.

### Competition Highlights (Adrian Kirkpatrick)

#### Presented by: Ron Morris – Club President

- The competition numbers in the club especially in the water has risen this year and our goal as a committee is to continue that trend knowing the Junior age managers and youth age managers with their tireless efforts are producing some outstanding results with their programmes, The transition from nippers to Youth and then to Seniors is a major focus for the committee going forward.
- Keeping our athletes at Sorrento is always a key target and although sometimes that is out of our control, we are aware that we must keep pushing forward with new and exciting ways to do this. As mentioned previously, the efforts of all the different areas of competition have definitely seen a rise in interested numbers from the younger members in their respective disciplines with have a go sessions and regular training.
- Well done to the Under 15 R&R team this year. They are State Champions for 2020 and had new members to the team this year and they have done an awesome job. They had the right attitude towards training and fundraising to go to the Aussies this year. Well done guys!
- To continue our vision towards 2022 with Aussies at Scarborough, the competition committee is dedicated and pushing for a huge turnout of athletes in every discipline at the event so a massive focus going forward will be in that area.
- The Coaching Panel are also looking into ways the club can train as a whole regarding U/14 to Masters on a more regular basis at all different levels.

### Club Service Highlights (Peter Watkins)

#### Presented by: Ron Morris – Club President

- An upgrade of kitchen equipment, replacing the deep fryer with one twice

the size and also adding a heating cabinet to keep food warm to cater for demand.

- There were no social functions in the early part of the season and all the ones planned for later in the season have been cancelled or postponed due to the restrictions placed on the club. I do hope our members understand and once the club is back up and running, we can all get together at a few social functions.
- Once again, the uniform shop has had its problems due to the suppliers delivering in a timely manner. Our volunteers have done a good job and even in these hard times are working towards ways to improving service in the coming season.

### **Club Development Highlights (Chris Milne)**

#### **Presented by: Ron Morris– Club President**

- Youth numbers at the club have increased from around 150 to 200 under 14s to under 19s over the past 3 years. Over 50 U13 Nippers transitioned to Youth in the 2019/20 season.
- Substantially more youth are now actively involved in regular Sunday morning youth sessions. It was important to provide the appropriate amount of structure to the Youth and allow them to participate in the activities that they and their fellow youth enjoy.
- Big numbers of youth participate in the club swim. 35 under 14 youth received SRC awards and joined patrols. 28 older youth received Bronze Medallion Awards adding fully qualified patrolling Surf Life Savers.
- Massive Youth Surf Lifesaving involvement being 3200 hours on patrols, events/ IRB.
- Additional volunteering as assistant age managers for nippers, assistant coaching and in the magnificent Dolphins program for kids and adults with a disability.
- Growing numbers taking up surf ski paddling including to competition level.
- Increasing numbers of youth (though we still want more!) doing mid-week training and competing (details under the competition section).
- Special mention to our YIP Gold Award Winners Georgie Overton, Caleb Bailey, Julius Formato, Amy Harrison, Vivien Lettner, Pia O'Flynn, Michell Prescud, Tristan Swanepoel and Kye Bostwick – Exceptional participation and volunteering guys!

9 youth received gold awards for over 400 points, 24 silver and 13 silver. Some of the volunteering aspects included:

- Assistant age managers for nippers groups.
- Water safety for nippers.
- Water safety for carnivals and events.
- BBQ roster.

- Volunteering for Dolphins Program to help our disabled members.
- Additional patrol hours for abalone, fireworks and other events.
- A select few of our most active competitors and volunteers also got accepted to go on Toad and Rise up leadership camps run by SLSWA.

## 2019/20 FINANCE REPORT

**Presented by: Ron Morris – President**

### Highlights:

It is with pleasure that I present the Financial Statements for the year ended 30 April 2020. The current focus of the Club remains that our current operations are running smoothly with our future in mind.

Our future focus remains to have adequate funds available to contribute towards the proposed redevelopment of the clubrooms. We have been able to increase our building fund term deposit by \$193,291 to \$588,115 this financial year.

The club has returned a net surplus over the season of \$218,894 for the season with our member numbers continuing to rise.

Our result is favourable in this financial year in comparison to the previous year of \$48,332 due to:

- Higher memberships
- Woodside sponsorship
- Lower expenses recognised within the financial year.

It is important to also note, the club experienced higher levels of trading profit for bar and restaurant activities throughout the year. This was offset by the Covid 19 closures and cessation of trading in late March and April.

The club experienced an increase in our net asset position as at 30 April 2020 to \$1,320,670.

The finance across all service areas were monitored and disciplined throughout the year, with all major items of a capital nature requiring board approval.

Capital expenditure incurred during the season included:

- Ford Ranger (\$38k before grant)
- Fryer and Warmer (\$8.3k)
- Chairs – Sebel (\$3.4k)
- Commercial Fridge (\$2.6k)
- SSV Defender – BRP Australia (\$10.2k)
- 2 soft rescue boards (\$2.3k)
- Epic Kayaks (\$2.5k)
- BOS Double Ski (\$5k)
- Improved Building Access (\$2.7k)
- Juniors Board Cage and Racks (\$2.3k)

- Foam Nipper Boards x 15 (\$7.7k)

All these items were considered essential for the ongoing running of the club across relevant sections.

The Board has not recommended an increase in membership fees for the upcoming season.

I would like to thank the Board and our administration staff for their support over the past 12 months.

Ron asked the floor if they had any questions about the finance section from the 2020/21 season.

**Ken Jenner** – Ken asked why don't we have the splits in the trading account. Adam Duffy asked Ken to clarify what he meant by this. Ken answered and said the bar is getting charged all the cleaning fees for the whole club and not just for the bar or function hall. Why don't we split this all. Ron said to Ken we can do this for next season.

Andrew Ridley mentioned that it is not bad that we charge it to the bar so that it reduces the look of any income, makes us look better for the new building.

Ken – I just think from an accounting side of things, the bar should be charged for the bar and everything else to should be charged in there area.

Ron – Would you like to vote on this now or will it go to the board.

Glenn Ridley – Can I suggest that the board look into it and do some research on it before any decisions are made.

Ron agreed.

Ron asked if there was any other questions.

Craig Croke mentioned that the boat results were missed out of the annual report. Jess Bunford replied and said we can add them in and sorry for the mistake.

Annual Report and Finance section accepted – all in favour – all, All against – None

### **Election of Life Members**

#### **Presented by: Life Member Committee**

**Les Goodliffe** was put forward to being a life member of the club.

Rob Doherty spoke about why Les should get Life membership.

The members voted and all approved

Les was then awarded Life Membership (27)

**Andrew Ridley** was put forward to being a life member of the club.

Ashlee Booker spoke about why Andrew should get Life membership.

The members voted and all approved

Andrew was then awarded Life Membership (28)

### **Building Update**

#### **Presented by: Rob Doherty**

Further to our club submitting a detailed business case and detailed concept plans to the City of Joondalup (the city), the councillors discussed our proposed project in some detail at a council meeting in which we attended.

It was encouraging to witness that the majority of the councillors were in agreement that our club is just about at its use by date and a new facility will be required in the near future.

The one major sticking point relates to the proposed cost of the project, at this point in time it is estimated the project to be worth some nine million dollars.

The councillors proposed and agreed that the city budget an approximate \$65,000 for the following.

The City is planning to engage consultants to develop further concept plans and cost estimates for this project to enable Council to consider including the project in the City's 20 Year Strategic Financial Plan.

Within this concept will be an option for the city to include a commercial tenancy with the prospect of a possible rental return to help recoup some of the capital outlay.

The expression of interest is in the infancy stage of engaging architects for the city's proposal.

The general consensus is that our club would be expected to contribute some 10% of the costs associated with the project.

Rob Doherty

#### **Club Fees: Patrol Rebate and Building Levy Ron asked all members if they were in favour in keeping the fees the same and still having the building levy.**

In Favour – All hands raised

Against – None

### **Election of Office Bearers**

**Ken Jenner declared all positions to be vacant.**

Ron Invited Ken Jenner up to announce the new directors and officers for the 2020/21 season.

Vote for the change

In Favour – All members raised hands

Against – None

## **GENERAL BUSINESS:**

**Opened by: Ron Morris – Club President**

### **Changerooms**

Ben Povey – Ben mentioned that there is nudity in the changerooms on the weekend at certain times and was requesting if the club can look into a solution to this so that children of the club aren't exposed to this.

City of Joondalup Major Albert Jacob stood up and spoke to the members, Albert mentioned that this is the first we have heard of this at this club but we have had this mentioned at our COJ clubs. The city can look into getting partitions in the changeroom to reduce the risk of exposing the kids to nudity.

### **Drinks at Board Meetings**

Neil Rowse – I have been told that alcohol is being drunk during board meetings. Ron admitted that it was being drunk at the end of the meetings.

### **Volunteers**

Garry Bunford – We are struggling to get members to volunteer so if anyone would like to volunteer or have any suggestions on how we can get more members to help out around the club please let us know.

Wendy Goodliffe – Wendy said that it is not what you're doing as to why we can't get more volunteers, it is because people have more responsibilities these days and struggle to find time.

Garry – Yes that is correct. If anyone has any ideas, please let us know.

### **Meeting closed:**

- Ron Morris thanked all members present for their attendance and declared the meeting closed at 20:28pm

# PRESIDENT REPORT

RON MORRIS

It has been a record-breaking season for Sorrento even with the COVID threat, we have managed a remarkable season. A great effort by our members and families. I would like to take this opportunity to thank our hard-working dedicated board for their extreme efforts over the last 12 months.

Finance Director

Lifesaving Director

Junior Director

Competition Director

Business and Marketing Director

Club Services Director

Club Development Director

On behalf of all club members, we thank you for your dedication and many hours work to ensure that Sorrento SLSC remains the very best.

I also wish to acknowledge and thank all of our staff including our wonderful Admin Manager Jess Hampton, Bar staff, our Bar Manager Amanda Doherty, Chef Extraordinaire Bernadette Snell., Bookkeeper Peta Watkins and our cleaner Bob Lindsay. You all make our directors role much easier.

Our member base has remained steady at the 2000 mark which makes us one of the biggest and successful family clubs on the West Coast. I would like to thank our patrolling members that continue to keep our beaches safe and ensure that our patrolling agreement with the City of Joondalup is maintained. Very well done from all of us at the board level.

To Garry Bunford and the beach committee, thank you for running our patrols and as always, a brilliant job. Our patrolling members go far beyond their normal rostered patrols as we all know the additional services include Abalone patrol, Tri Club patrol, open water swimming water safety events. These services assisted in maintaining us a financially successful club. Thank you all.

To our club assessors, trainers and education team. We thank you for your hard work and dedication in assisting our new members to achieve awards such as SRC, Bronze, First Aid, IRB and Jetski.

To Adrian Kirkpatrick and our competition committee, we thank you for your efforts and patience throughout the season. To our members, coaches, officials and supporters who participate and commit time to represent Sorrento in IRB, Pool Rescue and water events, we congratulate you for representing Sorrento and ensure that our colours are worn with pride and dignity. The sportsmanship displayed by our members makes us proud.

To Keiron Burke and all the age managers, assistant age managers, water safety. Set up/pack down crew and BBQ team, your efforts are absolutely superb. Mighty Sorrento won the State Championships for the first time. A big well done to everyone!

Our juniors are an integral part of the clubs future and by providing a high quality training program to our Juniors, it goes a long way in retaining our retention rate moving through to the Youth programs of the club. Our expanded training program has also ensured that we will be the most competitive club along the coast.

Thank you to all the committees that ensure that we have successful social sporting events. Well done to all.

A big thank you to Greg Belmont and his wonderful assistants who run the Youth program. This year has been the biggest and most successful by far and I look forward to this program bringing in fabulous results for our Youth.

Sponsors are integral part of sustaining our club to the highest level and I take this opportunity to thank Christine Cougan and the committee for driving this endeavour. Well done.

I would also like to thank Mick Saunders for his professionalism in presenting our club for various grants which many have been successful.

Thank you to Watto and Amanda who have done a fabulous job in all of our social functions and ensured that our turn over in the bar is profitable. A big thanks to all that work in that area.

Last but not least is the \$8 million promised by the Government for our new building. The building committee is working with the City of Joondalup to finalise plans for this and more information will be released and input from members will be required soon. As we move closer to the build, it is a very exciting time for Sorrento.

I thank you all once again and without your dedication, we would not be where we are today.

Many thanks and stay safe!

**Ron Morris**

**President**

# BUSINESS & MARKETING REPORT

CHRISTINE COUGAN

Sorrento's strength as a strong community and family friendly club has grown. This year membership reached. The unfolding COVID-19 virus pandemic has certainly challenged all of us with many events either cancelled or postponed, however everyone proved to be resilient; all displayed understanding and support for one another.

I wish to acknowledge the club's Office Manager, Jess Hampton who has once again worked proficiently throughout the season serving all members; assisting Directors and carrying out a multitude of tasks helping to keep the club running smoothly especially during Covid times.

Sorrento SLSC is dedicated to being an inclusive organisation. A family orientated and community minded club. This season saw the **Dolphin Program** continue into its sixth year. Every Saturday morning Sorrento members and friends volunteer their time to run this program; providing opportunities in both surf and on the beach, swimming, board and ski sessions and lifesaving knowledge and understanding.

Special thanks to Colleen and to all our amazing volunteers who help us every Saturday morning.

## Uniform Shop

This is now under Business and Marketing portfolio and I wish to thank Nicole Hughes for all her help over the past eighteen months and welcome Rita Berry who has recently taken over the management of the club clothing shop. A few months ago Jess implemented an online ordering system for club clothing. This is proving to be very effective.

<b>Total</b>	<b>1904</b>

Waterman's to the Wall a fundraiser traditionally for club, however this year we wanted to help raise funds for a valued club member Carly Ridley, who was diagnosed with a rare form of cancer, Angiosarcoma, in February 2013. The event was sold out with 550 swimmers registering. An online auction, silent auction on the day, food and refreshments provided all came together for a fantastic event.

We raised an amazing \$ \$19,160.72

Thank you to all participants, sponsors and kind donations and especially to the

Thank you to Waterman's to the Wall Committee:

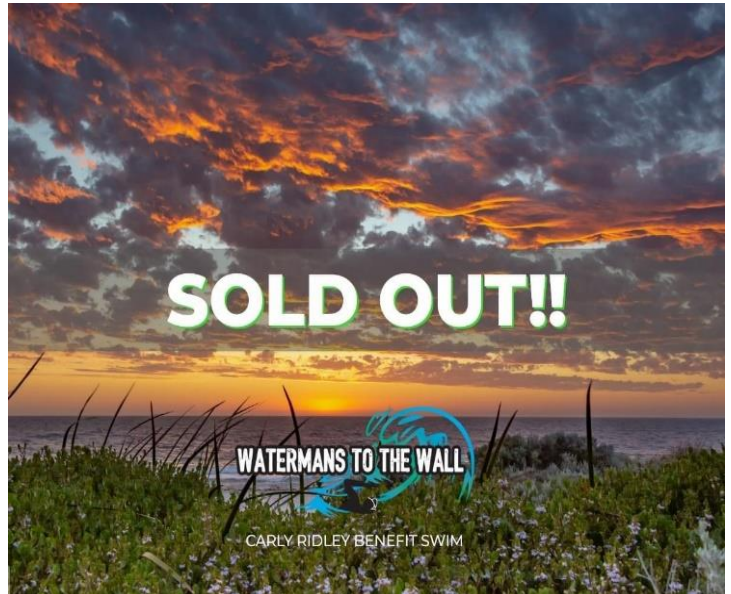

Dave Norton, Guy Burnett, Christine Cougan, Paul Green, Barry Rogers, Ken Jenner, Ron Clarke, Richard and Nicole Milloy, Rob Pouw and Milou Smeets.

### Sponsorship

Sorrento Surf Life Saving Club relies heavily on the generosity and financial support of corporate partners and private contributors. We have had a long and busy season on our wonderful beach, not to mention the volunteers, plus our team of assessors and instructors and most importantly our energetic nippers and competitors.

All of this activity is costly and we must pause to thank the very generous financial support we receive from our extended Sorrento Community.

Our **appreciation** to all Sorrento Surf Club Sponsors for providing the club not only with valuable sponsorship and services.

## **Platinum Sponsors**

City of Joondalup and Nipper Woodside: thank you for your generous support and we look forward to continued partnership moving forward.

## **Gold Sponsors**

Gold Sponsor, Craig Waters who is an avid supporter of Sorrento SLSC. We look forward to another exciting season ahead.

## **Silver Sponsors**

We continue to enjoy a cooperative partnership with the Marmion Angling Club, patrolling their beach especially on Sundays during Junior sessions.

## **Bronze Sponsors**

RBD

Detail West

RJ Electrics

Tintworks

Liquor Barons

Compac Marketing Australia

Warners Transport

Perth Stripes and Signs

Sponsorship through cash donations, equipment purchases, goods and services in kind or other initiatives, plus profitable fundraising are greatly appreciated and all contribute to the smooth running of the Club, maintain lifesaving equipment and other club facilities. This allows members to concentrate on the club's core role; of providing lifesaving services to Sorrento beach in a safe, professional, inclusive and enjoyable environment.

## **Grants/Donations**

Thank you to Trustees RCM Memorial Ltd who kindly donated funds to the Dolphin Program.

Thank you to Vacswim (Education Department) for the donations over the summer.

Thank you to Evoke Media for their donations from the beach ads we did on the beach over the summer.

Rio Tinto and Davallia Primary School, thank you for your donation this season. We are so grateful for you all!

Ian Goodenough MP, I would like to thank you for funding through the Stronger Communities Programme for an ATV and 3 radios.

Volunteer Grants Program – 2 x radios & defibrillator. First phase submitted, if successful we go into 2nd stage of judging.

Also, a St Johns grant which we have applied for a Defibrillator to be placed on the outside of club building. A huge thank you to Michael Saunders for all his hard work over the season securing these grants!

**Christine Cougan**

# LIFESAVING REPORT

GARRY BUNFORD

Well, another fantastic season between the flags for Sorrento. A changing of the guard as it were for a few of our patrols this season, as senior, longer serving Patrol Captains and members took a step back. It was great to see the younger members stepping up to take on the awards and extra responsibilities. I'm very proud of what we've achieved this year.

Sorrento, however, has enjoyed a productive season on the beach both between the flags and in other areas of club. Members continue to provide outstanding contributions to the club beyond the rostered patrols, including water safety, first aid at carnivals and club events, IRB support, set up for events, and also the contribution to swim WA events. Such as Australia Day and Quinn's Marina open water swims, all contributing to club fundraising.

I would like to thank all members for their willingness to help when needed. As the club continues to develop as an all-around patrolling club in surf sports, with members competing in all disciplines, including IRB Racing, Beach, Board, Ski, Swim, Boat rowing. This sees our members developing their rescue skills to ever increasing levels of rescue readiness, complementing the valuable first aid and resuscitation competencies within our club.

Our ever-increasing can-do attitude makes us the club of choice when it comes to Abalone patrol; each season, we grow bigger and better even when unfortunate things happen as it did this season, we learn what we can and try even better to improve to the best we can. Some things we things that we continue to develop;

The Jet ski response team is growing day by day working under the Jet Ski coordinator Damien Newbold who himself responded to a call out for searches at Scarborough and Quinn's Mindarie. Damien was a key member of the search team that found the missing fisherman which you may have seen on the TV. Evan Bunford and Lawson Rimmer who did the rescue at Albalone were also on the TV. Well done guys for your efforts during the season.

Richard stepped up and became the Jet Ski training officer and took a team of ten through their Jet Ski course. Although there are too many people to name, you see the Jet Ski crews doing Junior water safety, Abalone patrol, and some on your patrol.

## **IRB**

Not forgetting the IRB crews lead by Declan Burke and Lawson Rimmer, who both stepped up this season. These two took on the challenge and made it look so easy; both boys are also Jet Ski Drivers. Again you will see them and other IRB drivers around club who are the first at carnivals and events setting up and last to leave packing the equipment away. To all of the patrol and IRB members that are there always supporting the club and members not forgetting their important

role in Abalone and the rescue they did again this was on TV, they are truly essential.

### **Patrol Captains**

Thanks for all the Patrol captain and Vice-captains without your leadership we would find it hard to have patrols on the beach so thank you for your efforts.

### **Patrol Members**

The quick response team is you, our members and without you doing patrols every weekend during the season we just would not have a patrol to protect the community. You as a team are so important to give a person in trouble 100 % chance of survival, and for that we thank you.

### **Abalone**

Sorrento SLSC or should I say you our patrol members, continue to show we can patrol in all conditions and take on all challenges asked of us by the local community and the abalone fishing community. We continue to be the club of choice, leading the way that other clubs try and follow when it comes to Abalone. With another season under our belt, we just keep getting stronger and stronger. Thank you, everyone. Not forgetting some key people such as our President Ron Morris who drives the quick response team vehicle. Stephen Thomas and Barry Rogers always there as the quick response First Aid team.

Our Leaders such as Laurie Mott (strategic planner and coordination) Malcolm Judge, Sue Zehnder, Ian Smallwood people that stood up as leaders Peter (Watto) Watkins, Christine Cougans, Julie Smallwood, Shannon Miller, Lawson Rimmer, Evan Bunford, Damien Newbold, Leif Hinrichsen, Muzz and Surf Lifesaving WA's Nick Pavy and Mick Owen who supported us when things did not go our way. They were there to support us with equipment and financial support at the end of the season, great for lifesaving equipment.

### **Education**

Each season this team gets challenges that seem to occur every season; however, they consistently met and beat the challenges put in front of them, especially when you look at the past two seasons with social distancing and when to start the course and how and where we do the classes. However, and yet again this season, they have met the challenge and have produced some fantastic patrolling members, all set to a high standard of training.

Thanks to all the trainer's, Rob Pulsford, Wendy Goodliffe, Julie Smallwood, Ian Smallwood, Dick Lane, Kim Porter, Paul Berry, Shannon Miller, Lawson Rimmer, Evan Bunford, Declan Burke, Collen Blevins, Eamon Ryan Simon Kanakis, Laurie Mott, Janie Rowse, Neil Rowse, Leif Hinrichsen, Richard Elderfield. If I have missed someone, sorry, but thanks for your efforts this season. This is all lead by our Education officer Stephen Thomas who had done a great job coordinating it all. Special mention also goes to Jess Hampton for all her admin work behind the scenes to make it all happen.

### **Gear**

I am pleased to say that we continue to have some of the best and newest equipment along the coast. Thanks to a huge amount of work by Mick Saunders

and his ongoing efforts in obtaining grants. This past season we were able to enjoy a New Ford Ranger Four Wheel Drive, Defender ATV as well as several new rescue boards.

Sorrento has an amazing amount of lifesaving equipment and as such a lot of work is down after hours and behind the scenes to keep it maintained. A big thank you to Murray Genneff for this; you have done a great job! It was pleasing to see that generally equipment is getting washed and put away, plus when items are damaged, they usually are tag out and the correct people advised so it can be repaired. Please continue to do this, it makes my life so much easier and enable equipment to be repairs quickly.

To give you an idea of what we have, if we had to replace what we currently have this is what we would be looking at:

Rescue Tubes \$10000  
 Recuse Boards \$42000  
 Radios \$18000  
 Binoculars \$1000  
 ATV's \$50000  
 Total \$ 13,1000

I have not even started with First Aid equipment, Patrol shelters, Flags, Stands, Towers, IRB's, trailers etc.

### Top Ten Most Patrol Hours

Vivien	Lettner	123.67
Declan	Burke	101.08
Ben	Cottrell	94.25
Cate	Latimer	81.33
Ian	Smallwood	68.75
Evan	Bunford	58.17
Lawson	Rimmer	57.42
Tristan	Swanepoel	53.75
Susan	Zehnder	52.75
Garry	Bunford	51.5

### Patrol Statistics

First Aids	171
Preventatives	1879
Rescues	3
Patrol Hours as a Club	7899

To finish off, I would like to thank the Board of Directors of their support Surf lifesaving WA for always supporting us and Whitford Sea Rescue for their support at Abalone

and the City of Joondalup, especially Shane Frazer for always trying to assist the club.

As I sign off, it would be remiss of me not to thank my family for always being there through thick and thin; especially thanks goes to my lovely wife Helen for her unwavering support.

Keep safe and hope you see you all next season!

**Garry Bunford**  
**Director of Lifesaving**

# JUNIOR REPORT

KEIRON BURKE

Once we got over the covid hump in the road, The Mighty Mighty Green Machine just got rolling again. It was an awful way to finish the previous season, which to that point had been an outstanding one at Sorrento Surf Life Saving Club, and as a club, we could of all dropped the bundle, but instead, it seems to make the whole team more determined to continue the hard work and effort required to deliver a program we can all be proud of.

Everyone knows how seriously I take the role of Junior Director at Sorrento Surf Lifesaving club and as I've said multiple times, the immense pride I have in our team. It has taken years to build such a strong team which is the envy of all the clubs along the coast, and it is a tremendous honor for me to be part of this outstanding team.

We are a family club first and foremost, and its something we should never lose sight of. I'd like to start off by thanking my own family to Paula, Caoimhe, Niall and Shay; thank you for always encouraging me to spend more time at the club, I think that's a positive.

The Board of Directors, thank you for your continued support of the Green Machine, backing and promoting initiatives that the Junior committee may propose to assist in the improvement of our program; your insights have been invaluable.

Providing a safe structured program for 700 hundred plus nippers is no easy task. Many clubs would find it impossible to achieve. Thankfully at Sorrento, our Junior Committee consisting of the Junior Assistant Officer – Shane Burch, our Senior Age Group Managers - Stef and Grant Yujnovich, Aaron Bell, Caylee Margach, Andrew Ridley, Glenn Ridley, Latif Ahmad, Jamie Morris, Gerry McLennan, Murray Geneff, Lisa Booth and Junior Committee liaison officer Kerry Yates deliver a program everyone at SSLSC should be extremely proud of.

## **Achievements of Note**

- Sorrento has the largest number of registered nippers involved in the Woodside Nippers Program in SLSWA.
- Sorrento has the largest and most comprehensive training program offered to nippers along the coast. This includes Boards, Swimming (H2O), Beach, R&R, March Past, and Pool Rescue. Training is open to nippers that have passed the necessary proficiencies. Implementing a tiered structure has given us the ability to allow all nippers at whatever level an opportunity to have a go. Of course, this is always determined by the weather and qualified volunteer numbers at each training session.

- Sorrento has the largest team of Assistant Age Managers and parent volunteers in different roles throughout the club. This year we had 54 qualified age managers, the most prominent team at any club
- Sorrento is continually embracing the competitive side of surf sports. This season we had the largest numbers registering for all competitions, including little Nipper Carnivals, Nipper Carnivals, and of course the Country Carnival; team green was there in force.
- Providing a return to surf from Covid plan drawn up by Andrew Ridley and supported by the Junior Committee this gave us the opportunity to continue with running the Woodside Nippers program whilst following government guidelines. We were the only club running at stages this year, showing the commitment our team was willing to make all the time keeping our members as safe as possible hopefully, we never need to follow the plan again.
- Sorrento has a high club attendance on a Sunday morning for the Woodside Nipper Program. It fills me with joy to know so many of our nippers from U/6 through to U/13 are using Sunday mornings to get educated in Surf awareness, promoting community involvement, a healthy lifestyle, and increasing personal fitness including family members.

Hopefully without missing anyone here is a list of our brilliant volunteers that make it possible to achieve these Amazing Results.

#### **Beach Boys (Pack Up and Pack Away Crew)**

Ron Morris, Adrian Kirkpatrick, Bob Johnston, John Willcox, Jeff Overton.

**The IRB Crew** – Craig Waters, Declan Burke, David Tasker, Aran Buckley, and other members of the IRB fraternity that assisted when they were able.

#### **Club Champ Set Up**

Shane Burch, Aaron Bell, Adam Reeves, Paula Bell, Adam Duffy, Jeremy Plint.

#### **Junior Gear Stewards**

Chris Pawle, Murray Geneff and Shane Burch

#### **BBQ Co-ordinator and Assistants**

Anthony Chin and Darren Bender

#### **Under 6 Pink Caps**

Senior Age Manager - Gerry (Big Mac) McLennan

Assistant Age Managers – Lisa Booth, Ben Leggo, Cassy Rudd, Chris Greig, Chris Hogarth, Daniella King, Helen Hendy, Michael Lush, Paula Ondrak and Renee Wojtowicz

#### **Under 7 White Caps**

Senior Age Manager - Latif Ahmad & Jamie Morris

Assistant Age Managers – Mark Cleary, Stuart Wright, Natasha Goodchild, Peter Lackovic, Todd Gordon, Adrian Day, Adrian Mc Naulty and Stuart Cattanach

### **Under 8 Yellow Caps**

Senior Age Manager – Glenn Ridley

Assistant Age Managers – Luke Vanson, Jono Tennant, Chris Gunnion, Kristy Papp, Mel Bove, Stu Hawkins, Rochelle McSweeney, Colin Haughton, Steven Kelly, Darren Granland, Maxine Buck, Tony White, Glen Hunter, Mark Lang and Colin Van Der Merwe

### **Under 9 Green Caps**

Senior Age Manager – Andrew (Rids) Ridley

Assistant Age Managers - Tim Auton, , Brendan Howson, Amanda Buckley, Dave & Deb Tasker, Carly & Matt Thomson, Caroline Kowalski, Nyree Marr, Christian Ecseri, Mel Kenny, Jason Woodbridge, Martin Booth, Michelle Carey, Damian Cato, Paula bell Youth Helpers: Kai Belmont, Will Carey and Zahra Buckley.

**Water Safety** – Matt Kelly, Ainslie Mitchell, Claire Penny-Owen, Mary Pat Whelehan, Jacqui Pawle, Greg Stewart, Evan Dela-Grammaticas, Damian Stott, Jason Cesarello, Rich Milloy, Chrissy Reeve, Calum Boyle, Emily Slevin, Wayne Zarb.

### **Under 10 Light Blue Caps**

Senior Age Manager – Caylee Margach

Assistant Age Managers - Murray Muzz Genneff, Phil Higham, Jeremy Jezza Plint, Amanda Bevan, Brett Knight, Craig Waters, Julie Anita, Kacy Mazzini, Matt Teede and Paul Brigden.

### **Under 11 Purple Caps**

Senior Age Manager - Aaron (Belly) Bell

Assistant Age Managers - Steve Cook, Michael Paccanaro, Tia Bilki, Rodger Marshall, Damien Newbold, Rhian Chin, Julie Johnston, Kerry Yates, Kate Longman and Stuart Hawkins.

### **Under 12 Dark Blue Caps**

Senior Age Manager - Shane (Burchy) Burch

Assistant Age Managers - Paula Burke, Celeste Lambie, Jeremy Plint, Adam Duffy, Jeff Overton, Adam Reeve, Christine Marchesi, Mat Lloyd, Dave Whitehouse, Mick O'Connor, Chris Pawle, Nicole Hughes and Craig Waters.

**Water Safety** - Jason How

### **Under 13 Mighty Red Caps**

Senior Age Manager - Stef & Grant Yujnovich

Assistant Age Managers - Sally Kelly, Darren Goodwin, Sven Sumsor and Rick Ogden.

Water Safety - David Tasker, Martin Booth, Andy Weston and Pia Flynn

### **Coaches**

Head Junior Beach Coach - Grant Yujnovich

Assistants - Stef Yujnovich and Aaron Bell

Head Junior Board Coach - Bill Hughes

Assistants - Shane Burch, Chris Pawle, Mathew Thomson, Dave Tasker, Jonathan Tennant and Paul Skipworth, Michael Paccanaro & Brett Knight.

Head Junior R&R Coach - Theresa Gartlan  
Assistants – Sophie Dekenah, Niamh Wools -Cobb, McKenzie Sheriff-Wilson, Matilda Griffith and Bridget Marchin .

So great to see our youth giving back and helping coach the juniors.

**Head Junior Swim Coach - Andrew Ridley**

H2O coaches affiliate of Sorrento (I know they are paid but our vital for team greens ability to compete and keep masters fit too)

- Carly Ridley
- Sheldon Milligan
- Lisa Thompson
- Kasey Mazzini
- Mathew Rowe

**Administration Manager - Jess Hampton**

I'm sure you would agree this is a huge team and these are only our official volunteers.

This does not include our awesome water safety that comes from our family members and at times this year been bolstered by our wonderful youth members, not to mention all our BBQ volunteers that provide the club with much needed funds in our weekly fundraiser.

Whilst we have our own water safety and follow very strict ratios requirements at Sorrento, we have found the support from our weekend voluntary patrols invaluable.

From our fantastic patrol captains right through the patrol teams I can assure you from 9am till 12pm on a Sunday morning there is no safer beach along the coast than Sorrento.

I believe the communication in the club has improved significantly between departments. However, there is always room to improve. I implore the incoming board to continue to work and build on the foundations that have been laid. If we all continue to work together and educate more of our members, it will assist us to be the best club in all areas of surf which should be our ultimate goal.

The Juniors have had a few functions and get-togethers through the season. These are crucial in building a solid team and family environment. These functions help contribute to the overall bar and food takings. I'd like to thank all our Nipper Families for supporting the club by staying for dinner or just a few cordials after board and beach training each week.

Events such as the Junior disco, the Christmas break up, Little Nipper Players Tea, The Juniors Players Tea, Little Nippers and Nipper After Parties are crucial in promoting family, friends and community at Sorrento so thank you for supporting us. The fundraising BBQ offering Bacon and Egg burgers, hotdogs and hamburgers provide the juniors with much-needed funds to spend on the Junior program. There

is a lot of work behind the scenes to make sure this is available every Sunday morning.

Firstly, thank you Anthony Chin our excellent BBQ Coordinator and Darren Bender our Bacon and Egg specialist you guy's rock!

Thank you to our Bar Manager Amanda Doherty, Chef Bernadette, along with all kitchen staff/volunteers, you have gone to another level this season and have done a great job we do appreciate all your efforts.

The registration of 700 plus nippers along with family members is a huge task never mind adding carnival entries, members enquiry's and organising bouncy castles etc so thank you to Jess Hampton for the work you do just know you are appreciated.

If by some chance I've missed you thanks a million! It is appreciated I really hope we can keep building and improving our club and events experience.

## **Training**

### **Board Training**

Training numbers this year has gone off the charts, with an excess of 150 athletes attending board training on several occasions. Our weekly average was close to 100 for most of the season; this is remarkable. Bill with his coaches offered multiple sessions throughout the week with up to 4 sessions available for some athletes in the lead up to states. These sessions were only possible through the coaches and the parent water safety. Bill, Shane, Mathew, David, Paul, Paul, Brett, Mark, Chris, Dave, Michael, Sven, Rick and Jono are the coaches that have been huge in making this possible.

With us offering a Marina option on Wednesday afternoons, it has been beneficial in giving some of the younger and less confident athletes the time to get endurance and stroke corrections before they tackle the strong SSW Wednesday swell with confidence.

On the other extreme, Bill's Board Squad returned, it gave our more competitive athletes exposure to the Trigg and Scarborough swell for a big chunk of the season. This Squad was an invite-only with conditions such as safety and ability taken into account. Even when I'm writing this report, some of our hardy nippers are still training within regulations for next season.

### **Beach Training**

Again, our numbers grew and were consistent through the season with numbers around 70+ most weeks, going over 100 in the lead up to states. Changing to a stand-alone training on a Friday was a great idea for our Beach program. Grant along with Stef, Belly and a few others that jumped into assist provided a great opportunity for all Nippers that where keen to improve on the beach.

### **R&R Training**

Theresa, along with her crew of coaches, quietly goes about their business. Many people wouldn't know but these guys have had a tremendous strike rate in picking up placings in competition, putting us on top of the leader board at the end of R&R

state. You might be a quiet lot, but we love the work your crew is putting in; keep it up.

### **Swim Training**

We have significant numbers attending our Sorrento affiliate Squad at H2O sessions available three times a week. Andrew and his team keep providing a professional structured session plan that is getting great results. Andrew also created a weekly surf skills session at Scarborough about seven weeks before states open to all Sorrento athletes competing at states. It was very beneficial, and thank you for adding it to the program again this season.

### **Junior and Little Nipper Comps**

This year we again had the biggest participation numbers ever at carnivals representing the MIGHTY TEAM GREEN. I believe this has been driven by the encouragement of Age Managers, Coaches and parents. Sometimes it's just about giving it a crack and having fun.

### **Little Nipper States**

Well, what a huge Sunday this was to see the under 8/9 strut their stuff on our very own beach, in what was one of the highlights of the season. Such a great contingent of green having a crack and giving it a go. I left the beach thinking the future is looking extremely bright at Sorrento.

I'd like to wish the under 13 Red Caps along with their families the very best for the future. Hopefully, you leave having lifelong memories of your time as a Sorrento Nipper. I look forward to seeing some of you patrolling and taking part in the youth program and of course, competing for Sorrento in the coming seasons.

The last and most important thank you I have to give is to the 700 plus nippers and family members we had at Sorrento this season. Without your participation on a Sunday, your commitment to coming to training sessions during the week, your enthusiasm to learn and to test yourself, the club would never have gotten into such a strong position; you are all part of our Mighty Mighty Green machine and part of the first-ever winning team that the club has produced in its history.

Your support and attendance at our club events aren't taken for granted. I thank you for choosing Sorrento and I look forward to seeing what MIGHTY MIGHTY SORRENTO can achieve in the coming seasons. With everyone's efforts, we have made Sorrento the destination club on the west coast.

I extend my best wishes to the new board and wish it every success going forward; congratulations good luck and stay safe!

**Keiron Burke**  
**Junior Director**

# CLUB SERVICES REPORT

PETER WATKINS

## Bar and Kitchen

This season, larger crowds of members stayed back after club training to utilize the club's bar and food area. Large volumes of food were prepared by our cook Bernadette who just keeps getting better and better. Crowds around 100 plus members enjoyed the food and company of the other members.

Still hampered by COVID 19, restrictions meant our hall was not used as often for outside functions, with a couple of more significant functions being cancelled due to lockdown. Social functions for members were kept to a minimum due to COVID 19 as well.

## Uniform Shop

The uniform shop has moved online and Rita is doing a great job opening the shop on Wednesday's night and Sunday mornings.

## Peter Watkins

Club Services Director

Thanks to our models that helped us get our Uniform Shop online this season!

# CLUB DEVELOPMENT REPORT

GREG BELMONT

## Objectives of Sorrento Youth Program

Youth (U14-U19) are a vital part the future of our club.

The main objectives of the Youth Program are:

1. Lifesaving: Transition our nippers into becoming patrolling lifesaver members, as well as retaining and developing Youth into more competent and capable lifesavers as they move from SRC to Bronze qualifications as well as other more advanced qualifications
2. Competition: Encourage competition, build greater numbers competing, work towards more competition success and team spirit.
3. Camaraderie: Provide the opportunity for the Youth to develop and continue friendships within the Sorrento Youth Community in a safe environment and to continue involvement with the Club and the broader community.

A key objective of the 20/21 season was to provide a structured program that focuses on:

- Retaining existing Youth members,
- Attracting new Youth Members, and
- Providing a pathway for Nippers to transition to Youth

The table below details the 2020/21 season numbers compared to the prior season.

Youth Numbers 2020/21			
	2020/21 season	2019/20 Season	Percentage change
<b>Under 14</b>	40	59	-32%
<b>Under 15</b>	46	34	35%
<b>Under 17</b>	50	63	-21%
<b>Under 19</b>	26	34	-24%
	<b>162</b>	<b>190</b>	<b>-15%</b>

Memberships were down in a number of age groups compared to the prior season, and the build of numbers earlier in the season slower than prior years. This is potentially due to a number of COVID related challenges.

Regardless, the Youth group remains strong with 162 members for the season and a group of 50 to 60 Youth participating most Sunday sessions.

The Youth committee ran several activities to engage with the U13 Age Group (red caps) to ensure that they and their parents are well informed of the range of activities available to those nippers progressing to Youth for the 21/22 season. We

look forward to them joining us next season.

### **Lifesaving Skills and Volunteering Initiatives-Bronze, SRC and other Courses**

Seamlessly transitioning Nippers into SRC qualified Lifesavers is a critical activity in retaining Youth as they transition from U13s (Nippers) to U14 (Youth). This serves several important functions:

1. Ensures a stream of SRC qualified lifesavers to bolster the ranks of existing Patrols at the beginning of each season
2. Fulfil the aspirations of a significant number of Nippers who look forward to becoming Patrolling members of the Surf club
3. SRC and Bronze qualifications are a minimum requirement for those Youth who wish to compete

COVID 19 restrictions during 2020 disrupted the normal program of courses conducting during the year. It was not possible to offer the Easter SRC course during Easter in 2020 due to COVID, as well as 2021 due to clash with School Holidays lack of trainers across the school holiday break.

SRC and Bronze courses were conducted during the Sept / Oct School holidays in the 2020 as well as several additional courses throughout the season.

These courses would not be available without the support and dedication of many volunteer trainers and support staff.

Planning is underway for courses during the 2021 / 22 season with initial focus on the SRC and Bronze courses for the 2021 Sept / Oct school holidays. This will provide the next cohort of SRC qualified Lifesavers to support the 21/22 season.

### **Sunday Morning Sessions**

The Youth committee worked tirelessly during the 2020/21 season to provide structured Sunday sessions. One of the key challenges identified by the Youth committee during the season is how to provide a range of activities that appeal across the U14-U19 spectrum. While Nipper groups are focused on individual age groups, the current format of the Youth combines the U14 to U19 age groups. The current age distribution of Youth attending the Sunday session is mainly from the younger age groups, with the Youth committee continuing to explore options to increase attendance across the age spectrum.

The Sunday session is the main point of contact between the Youth and the Club during the season. As such, activities were designed so that youth were able to explore all the possibilities offered by the club and find what suited them best as well as developing and reinforcing existing skills. Competitive and non-competitive options were offered, within a structured format.

This included:

- Sunday Morning Club Swim – Youth join seniors for the social competition of the club swim over a 200 or 400 metre course.
- Main Sunday Morning Youth Session – Youth Managers ran a mix of semi competitive and lifesaving-based activities including beach flags, beach sprints, boards, tubes, swim and irons.
- Surf-Ski Program – A pathway for youth to learn, develop and then compete on surf-skis – Starts with Have a go Day for under 14's at Hillary's Marina, followed by six lessons for under 15's, and a development squad for older youth on Sunday mornings. In addition, a dedicated ski camp was held across the Easter school holidays
- "Have a go" sessions on IRB and Surf boats
- Combined session with the Scarborough Surf lifesaving
- Lifesaving and first aid scenarios
- Team building and leadership activities

In addition to the above, a number of the Youth participated in structured activities as part of the SLSWA Youth pathways program. These included:

- Youth Age Manager
- Youth Official
- Youth Trainer
- Youth Coach

There has been considerable interest expressed by the Youth across the range of Youth Program Pathways that are on offer. An overview of the SLSWA Youth Pathways programs available to the Youth is shown below:

### Youth Incentive Program (YIP)

The YIP initiative encourages youth to participate in club events and volunteering. The majority of the youth formally signed up for the program which awards points towards prizes.

Some of the volunteering aspects included:

- Assistant age managers for nippers' groups
- Water safety for nippers
- Water safety for carnivals and events
- BBQ roster

- Volunteering for Dolphins Program to help our disabled members
- Additional patrol hours for abalone, fireworks and other events

Over 30 prizes were awarded for the season which included either Sorrento towels, Jackets or backpacks. In addition, some Youth decided to carry over points to the next season.

### **Youth Wind up**

As a result of COVID, there were two wind up functions during the 20/21 season. The first was to close out the 2019 / 20 season that had been cancelled and took place on Sunday 11th Oct. The event was well attended and as well as serving as the wind up, enabled the Committee and others to take the Youth through the activities that would be taking place during the 20/21 season. The incoming group of U14's was invited to this session as a means of welcoming them back to the new season.

As 2022/21 end of season function was held on Saturday 10<sup>th</sup> April. This involved a day trip to Adventure World, followed by an awards session and dinner at the club. This event was well attended by both Youth and parents.

### **Youth Social and Fundraising Activities**

There was a strong cohort of parents and Youth interested in the social and fundraising side of Youth activities. There was excellent support from the Youth Committee, parents and youth for the fund-raising activities at the Sorrento Nipper carnival on 13th Dec. which included:

- Parking at Sacred Heart Oval
- Bacon and Egg Stand
- BBQ
- Drinks and Lollies stand

In addition to this the Youth took the opportunity to run the Sunday morning Bacon and Egg stand and sausage sizzle where available. As well the Youth supported the supervision of inflatables at the Nipper Xmas party and end of season function.

On the social front, a number of activities were organised and were well attended. These included:

- Bowling evening
- Sleep over at the club
- End of season function at Adventure World.

### **Youth Development Opportunities**

The key focus on the Development Director and the Youth Committee during the 2020/21 season was the delivery of a structured program for the Sorrento Youth Group and re-energising the group after the disruptions of COVID. While this consumed much of the time during the season, there has been some reflect on the learnings from the completed season. The key question to be addressed is how to translate strong Nipper attendance, involvement and performance into the

Youth sphere. This will be a key area of attention during the off season and should include, but not be limited to:

- Development of a Strategic plan for Youth Development across a 3-5-year timeframe.
- Development of a Communications strategy that utilises a range of communications mediums that are accessible and desirable for Youth and parents
- Development of the capability to deliver SRC and Bronze training within the Youth Committee and support group
- Increasing the connection and uptake of the SLSWA Pathways programs
- Building closer connection to the Competition committee and Competition's strategy
- Consideration of involvement and retention of older Youth Age Groups (U17 & U19)
- Consideration of reinstatement of the roles of Youth Captains and other leadership opportunities
- Assessment of the Award programs to be used (YIPS / YLP)
- Development of Sorrento Youth camps utilising the new SLSWA Camp facilities
- Utilisation of Plans and learnings from other Clubs Youth Programs

### **2020/21 Youth Committee**

None of the above activities would be possible without the support of the Youth committee. Their time, efforts and dedication made Youth program possible in 2020/21. It has been a pleasure to have the support of, and to work with the Youth Committee during the season. I would like to thank them all, and I look forward to working with them in future seasons.

<b>Name</b>	<b>Role</b>
Jeff Baxter	Sunday Session Manager
Tim Begley	Sunday Session Manager
Lisa Thomson	Assistant Sunday Session Manager / Coach
Mathew Wools-Cobb	Assistant Sunday Session Manager
Darren Bender	Assistant Sunday Session Manager
Ben Leggo	Assistant Sunday Session Manager

**Development Director**

# COMPETITION REPORT

ADRIAN KIRKPATRICK

The 2020/21 competition season sprung into life for Sorrento in early October, with the new Iron Series kicking things off with some great results from our youth athletes. The Iron Series was closely followed by the new Youth Surf League format comprising athletes from U14 to U17. Our ability to field teams in the new structure was limited by the requirement for an under 17 ski paddlers, and it has been fantastic to see how effectively committed members of the youth and ski committees have worked to create a structure to address this, culminating in a highly successful ski development camp in the Easter school holidays for the U14s.

The introduction of Michael Booth and Lisa Thomson as coaches for the youth water athletes this season has been hugely beneficial, along with the consistently world-class coaching, Sorrento Youth athletes have access to on the sand from Claire Rafferty and her team. This quality coaching of our Youth Athletes was evidenced by some outstanding individual performances at the SLSWA State Championships.

There being a Sorrento Youth (U14/15) team in every male and female relay final with medals in the Male Youth Beach Relay (Silver), and Female Board Relay (Silver), and Surf Teams (Bronze) events; additionally, three water athletes at U14, U15, and U19 achieved Western Suns selection for the 2020/21 season, again a testimony to the quality of the coaching we have available.

## March Past

Another successful season with the team winning the State Open March Past. Unfortunately, COVID stopped us from competing at the National Titles. It should not stop us next year.

Like all the other years, our success is not about the 12 that march on the day, but the 17 that comprise the Team. Without all the parts, we would not have our long-term achievement. To all those that formed the team, thank you!

Murray Geneff  
Russell Wright  
Mick Gill  
Rob Doherty  
Bob Lindsay  
Mark Gannon  
Sue Lemon  
Kevin Haynes  
Joanne Barram

Roger Nowell  
Gwen Jenner  
Ken Jenner

### **Board's**

This season has been great with many great results.

We have had a great turnout with youth board sessions with many youth training Monday and Wednesday afternoons; thanks to our Youth coach Lisa Thomason for her dedication and effort. In the senior area, we had Michael Booth join us as a new coach for the season. We have had a great season under the new coach, training Wednesday nights at Trigg and Friday at Sorrento.

At competitions, we have had many great results, with athletes achieving results at Surf League and individual results at senior carnivals. Also had many great results at states with the youth squad gaining some medals and the senior squad with several medals. We had some athletes also race at Aussies at the sunshine coast.

Please all keep fit and healthy over the off-season. Thank you to the squad, parents, coaches, competition committee, and members for a great season.

### **R&R**

Another crazy season has come to an end, with ups, downs, twists, and turns testing the sanity of our coaches and athletes. With a hint of sadness this year we say goodbye to two of our awesome coaches who have decided not to go around again next season. I personally cannot properly articulate the respect, fondness and admiration I have for both Theresa Gartlan and Darryl O'Donnell. Their dedication and love for their athletes and the sport has been shown in the time and effort they have put in over the years. The success we have had in R&R over the recent years is because of the dedication of these two people.

Unfortunately, due to Covid we had no teams go to Aussies this year.

At the States again, we had success in the following events

- U11 2 Person – Silver (Lucy, Martha)
- U13 2 Person – Gold (Brandon, Jackson), Bronze (Beth, Tahlia)
- Youth 2 Person – Gold (Liv, Niamh), Silver (Bridget & Sophie) & Bronze (Mckenzie & Tilly)
- Youth 5 Person – Gold (Bridget, Sophie, Eliza, Lilli, Taya), Silver (Georgia, Tilly, Mckenzie, Niamh, Liv)
- Open Female 5 Person – Gold (Annalise, Caitlin, Elise, Zoe and Sue)
- Open Mixed 5 Person – Silver (Annalise, Caitlin, Muzz, Micky Gill and Sue)
- Open Mixed 6 Person – Gold (Annalise, Caitlin, Elise, Muzz, Micky Gill and Sue)

Congratulations to the athletes that medalled; thank you for Sue for pitch hitting again when you were needed.

Another outstanding achievement this year is Annalise Pring bringing up 10 years in a row of being State Champion, from Nippers to Open Women and Mixed, and some Aussie bling along the way. Not only has she been a champion competitor,

she has also contributed along the way with coaching the two-person and this year stepping up and coaching the Youth 5 person.

A big thank you to all of our athletes, coaches and parents for being a fantastic bunch. And again, thank you to Darryl and Theresa, you are going to be missed.

### **Ski's**

Season 2020/21 has been a good solid base with many team building exercises in the ski arena.

We have had the privilege of engaging a National and World Champion competitor, Michael Booth, as our head coach, who has made great inroads into building not only our ski squad, but also across all water arenas, and has walked the walk by also donning a Sorrento cap and competing for our club.

Coaches Les and Leanne, along with the help of many mentors and parents, and our new Youth Development Officer, Jeff Baxter, implemented our first youth intensive ski clinic. This comprised of the youth 14 and 15-year-olds participating in a 5 consecutive day training clinic in the 1st week of the May school holidays. We were fortunate enough to have brilliant weather and the kids had a lot of fun as well as learning the basics of ski paddling. This group of 12 have gone on to be regularly attendants at the Sunday morning development ski coaching sessions for youth and are advancing well.

We are hoping to repeat this clinic in the 2nd week of the October holidays so that more of the 15's can have a chance to become part of this amazing sport. Many thanks go out to Chris Milne who handed the reins over to Jeff this year. Chris has done an amazing job in setting this portfolio up for Jeff.

Our Senior athletes hit the water in every possible carnival this season driven & motivated by their new illustrious leader "Boothy" who, as we said earlier, threw on the Sorrento cap himself making up teams wherever possible. Ash Booker, Aya Okana, Jess Madden, Harry Abraham, Tim Berry, Matt Rowe, Ben Snook and even Daniel Snook were back out there doing their best for our club. It felt like the Sorrento vibe was back in the tent.

We have a very pro-active ski committee now, all keen to improve and grow our sport which makes my job that much easier. Thank you to all of you. If anyone is keen to join the group, please don't hesitate to contact us.

Thank you to Les Goodliffe for all his hard work this season and hoping he has a wonderful 18-month trip around Australia on which he recently embarked.

### **Beach**

It's no secret that the season started in unusual circumstances for most people, however, the conditions substantially affected our normally large attendance on the track and at carnivals. So rather than looking at performances as highlights,

and there were definitely some of those, we would like to acknowledge high level the commitment and dedication shown by a band of athletes and coaches.

To Claire, our sprinting coach, who rain, hail or shine would be enthusiastically at training and carnivals displaying her positive outlook and encouraging all to perform to their best. The 3 years spent shaping the squad in to not only successful athletes but awesome young adults is now and will be in the future much appreciated. Coaches do get a buzz out of the excellent performances in competition but also add so much more to the manner in which our athletes compete through their sportsmanship. Claire you will more sorely missed in so many ways.

To Jacko who tirelessly and continually turned up to train himself but also to give of his expertise in flags on most Sunday mornings. We acknowledge both your commitment to your own training but also to other athletes in our Beach squad.

To our athletes, who made the commitment to train regularly. It was not confined to the experienced athletes amongst us but to a wide range of ages. To see young and old not only improve their fitness and skills over the season but also to help others who may have been new to the track was a very pleasing aspect. We would also like to acknowledge those athletes who regularly gave of themselves to proudly represent the club at the many carnivals. Congratulations goes to Charlie Rigby for getting the Open Gold double at States, which is not easily obtained and a 4<sup>th</sup> at the National Titles. Also, a massive congratulations to Jacko a great role model to young athletes getting his 7<sup>th</sup> Gold Sprint National Medal and his first silver medal in Flags.

So, we look forward to a new phase for the Beachies at Sorrento. Hopefully, a more positive approach by the Youth towards the Beach arena will encourage more members to give this great area of the club a go in the future

### **IRB Racing Team**

The IRB team has grown again this year with lots of new Youth joining the team. We had an awesome season and we received our first medal at the State Championships for the first time in years. Well done to Harry James, Declan Burke and Cate Latimer for winning Silver in the Single Male Rescue Race. Thank you to the team for always being there for water safety and filling in when needed. We are looking forward to seeing the team race in the upcoming State Championships.

### **Pool Rescue**

COVID-19 claimed the fun out of the 2020/21 Pool Rescue season... well almost.

Training still took place over the winter with Elise Airey & Fiona Airey maintaining their skills in the pool.

We were lucky enough to be able to attend two carnivals run by the West Life Saving Club in September with over 30 Sorrento members pulling on the togs and fins to get some race experience in the pool.

We are fortunate to have a pool rescue season back up for the upcoming winter season and we look forward to having more to report in the 2021/22 Annual Report.

### **Boat Report**

Boats this season started slowly with few teams actually competing in the normal racing format. In the Endurance Race held at the beginning of the season, ladies 160 yrs won silver which is amazing. Crew members were Chantal Mansell, Kirstie Kunstmann, Caroline Kowaiki – Cruden and Kylie Hogg.

State Championships in boats saw the ladies open crew, the Gypseas run a very close 4<sup>th</sup> at the States and will improve for the coming season. The other ladies' crews are building towards next season with the Aussies being at Scarborough.

Men's crew are at the same stage and are also building towards Aussies next season.

# FINANCE REPORT

MATTHEW THOMSON

The Directors are pleased to present the Financial Statements for the year ended 30 April 2021. The focus for the year was to ensure the Club navigated the uncertainty of the COVID 19 pandemic, kept current operations running smoothly, and with an eye to the future continued to push forward with the new clubrooms building project.

The club has returned a net surplus over the season of \$153,819, whilst down on the exceptional prior year it is a pleasing result given the current environment. Memberships were down on the prior year by 10% but above target set for the year – we are aware that the average decrease in memberships across a number of summer sporting organisations was > 20% due to uncertainty on the season, the way season 19/20 ended and other financial reasons. We have seen an increase in trading through the Restaurant and Bar through additional functions and offerings but also a testament to the support from the members for the year.

Sponsorships and Fundraising proved a challenge for the year with sponsorship inflows dropping by 30%, although it was pleasing to note most of the major sponsors supported the club again this year. With a full season on the beach, we were able to have a complete suite of Carnivals and State Championships from Little Nippers to Master's increasing the fundraising & carnival income (including payments for hosting events) vs the prior year.

Finally on Income, the Club was able to qualify for the Governments Job Keeper and Cashflow Boost assistance programs which contributed circa \$62k to help support the operations of the Club during the year. There was an additional \$15k of wages paid to staff as part of the Job Keeper program, regular fortnightly wages were topped up to a minimum payment.

With an expected drop in Income the Directors set a budget for expenditure which reflected the expected lower income, all service areas were monitored, and disciplined spending occurred throughout the year, with all major items of a capital nature requiring board approval.

Following additional turnover in the Restaurant and Bar operating costs increased, whilst the full season and additional coaching expenses led to an increase on the prior year for Competition, Youth and Juniors expenses. The largest increase in operating expenditure was in Administration which increased due to the

reintroduction of the annual membership payments to SLSWA – these had been waived for 19/20 but reintroduced this year.

Fundraising Expenses related to distribution of all profits from the Watermans to the Wall event. Depreciation also increased following the accumulation of additional watercraft assets over the previous years.

Capital expenditure incurred during the season included:

- First Aid Room Equipment (\$1.9k)
- Modifications to the Ford Ranger (\$2.6k)
- New Foam and Fibreglass Nipper Boards (\$17.8k)
- New Portable BBQ (\$1.6k)

All these items were considered essential for the ongoing running of the club across relevant sections.

The club experienced an increase in our net asset position as at 30 April 2021 to \$1,474,490.

Our future focus remains to have adequate funds available to contribute towards the proposed redevelopment of the clubrooms. We have been able to increase our building fund term deposit by \$208,891 to \$797,006 this financial year.

The Board has not recommended an increase in membership fees for the upcoming season, with the Building Levy to remain in place until the final cost of the Clubrooms development is known.

On behalf of the Board, I would like to thank our administration staff for their support over the past 12 months.

**INDEPENDENT AUDITOR'S REPORT  
FOR THE YEAR ENDED 30 APRIL 2021**

To the members of The Sorrento Surf Life Saving Club

***Report on the financial report***

We have audited the accompanying financial report, being a special purpose financial report, of The Sorrento Surf Life Saving Club, which comprises the Balance Sheet as at 30 April 2021, and the Trading Account and Statement of Income and Expenditure for the year then ended, and the Management Committee declaration.

***The responsibility of the Management Committee for the financial report***

The Management Committee of the entity are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies used are appropriate to meet the financial reporting requirements of the constitution and are appropriate to meet the needs of the members. The Management Committee's responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

***Auditor's responsibility***

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian auditing standards. These auditing standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by those charged with governance, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Management Committee's financial reporting responsibilities under the constitution. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Independence***

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

### ***Matters relating to the electronic presentation of the audited financial report***

The auditor's report relates to the financial report of The Sorrento Surf Life Saving Club for the year ended 30 April 2021 included on The Sorrento Surf Life Saving Club website. The association's Management Committee are responsible for the integrity of The Sorrento Surf Life Saving Club website. We have not been engaged to report on the integrity of The Sorrento Surf Life Saving Club website. The auditor's report refers only to the statements named above. It does not provide an opinion on any other information which may have been hyperlinked to / from these statements. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report to confirm the information included in the audited financial report presented on this website.

### ***Qualification***

Receipts from donations, bar takings and other fundraising activities are a significant source of revenue for The Sorrento Surf Life Saving Club non-reporting entity. The Sorrento Surf Life Saving Club has determined that it is impracticable to establish control over the collection of donations and other fundraising activity revenue prior to entry in its financial records. Accordingly, as the evidence available to us regarding revenue from these sources was limited, our audit procedures with respect to donations and other fundraising activity revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion on whether donations and other fundraising activity revenue obtained by The Sorrento Surf Life Saving Club are complete.

### ***Qualified audit opinion***

In our opinion, except for the effects on the financial report of such adjustments, if any, as might have been required had the limitation on our audit procedures referred to in the qualification paragraph not existed, the financial report presents fairly in accordance with the accounting policies, the financial position of The Sorrento Surf Life Saving Club at 30 April 2021 and the results of its operations and its cash flows for the year then ended.
