### **FAQ**

**What is YIP?** YIP is the Youth Incentive Program. This Sorrento SLSC program rewards and recognises our young members for various activities undertaken at the club. You earn points that can be redeemed for great merchandise at the end of the season, such as the latest Engine, Vaikobi, Finz and Sorrento SLSC merchandise etc.

This year our program runs from 1 April 2024 until 31 March 2025. YIP is open to all our U14-U19 members.

**How do I register for YIP?** As a paid U14-U19 member you are automatically registered in the program. You just need to submit your activity sheets each month to [yip@sorrentoslsc.org.au](mailto:yip@sorrentoslsc.org.au). If you don't receive the YIP activity spreadsheet email, or if you need help filling it in please email me.

**What are the YIP Tiers & Awards?** Below is the number of points required to reach each YIP tier. Once you have reached a tier you are eligible to redeem your points for merchandise at the end of the season. These rewards will be presented at the end of year Youth Awards and windup. You don't have to stop at each tier, just earn as many points as possible during the season! Once you have reached your desired tier you can then redeem your points for one of the example rewards pictured, or roll the points over to the next season and keep saving up.
