Letter to Youth from Dolphins Program - An invitation to volunteer as water safety, earn YIP points, make new friends and make a difference to an important program.

**Youth Help Needed:
Dolphins Program: Water Safety
role and YIP Points earned!**

Hi Youth Legends,

Did you know that Sorrento Surf Lifesaving Club is one of only a few clubs nationally that offers an inclusive all-abilities program, known as the Dolphins? This unique program provides children and adults with additional needs the opportunity to participate in surf lifesaving activities, and we're inviting you to help make a real difference!

Objectives of Our Dolphins Program:

Our goal is to create an inclusive environment where participants can:

- Immerse themselves in surf club culture
- Learn surf awareness and basic first aid skills
- Build fitness through fun, physical activities
- Form new friendships and positive networks within the club

Desired Outcomes:

The Dolphins Program offers participants a chance to engage in surf lifesaving in a safe, supportive, and non-judgmental environment. Participants build friendships with their peers and club members, while fostering greater inclusivity in the Sorrento SLSC community. It also provides club members with a chance to connect with people with additional needs in a welcoming and supportive setting.

We Need Your Help!

This season, we're calling for qualified Water Safety volunteers to join our roster and support the Dolphins program on Saturday mornings. Volunteering with Dolphins is a fantastic way to give back to the community, make meaningful connections, and have a direct impact on the lives of our participants. Plus, you'll gain YIP points, form new friendships, and enjoy a free BBQ lunch after each session!

This year, the water safety role is separate from the 1:1 carer support role, ensuring the safety and enjoyment of all participants. Each week, we need a minimum of 5 qualified water safety personnel to be on the roster, and we'd love for you to be part of this incredible experience!

Key Details:

- Season Start: Saturday, 23rd November
- Time: 9:30am registration for a 10:00am start; sessions finish at 12:00pm, followed by a club-provided BBQ lunch.
- Season End: Saturday, 16th March

If you're interested in joining the water safety roster or learning more, please reach out via the Sorrento Dolphins Facebook page or contact Jeff Baxter, Christine Cougan, Austin Leggo, or Ben Leggo through the club office.

Your help can make a big difference to our Dolphins participants – we hope to see you on the beach!

Kind regards,

Sorrento SLSC Dolphins Program Team
