YOUTH FIRST AID & SCENARIO TRAINING:

Any Parents of Youth (and Youth also) that are

intending to compete in First Aid States on 14th December are welcome (and encouraged ☺) to come along to an Interclub Volunteer / Officials workshop at Scarborough SLSC this weekend.

First Aid competitions require a literal horde of helpers and officials. It is also a long day and it's great to be able to share the load across as many helpers as we can. At this interclub session we will introduce you to key people that have been making First Aid competitions such as success over the past few seasons. Guest panel: Leesa Equid, Paul Berry, George Tolev.

This session will help you understand how the event works, how the scoring system works, and also how to manage a scoring sheet and help as a volunteer.

Interclub First Aid Workshop
16th Nov, 11am-1pm, Scarborough SLSC

In the past Sorrento SLSC has put forward large teams in this event and it is important that we provide the needed volunteers / helpers to make this event run on the day.

Where: Scarborough SLSC

When: 11am – 1.00pm

We will conclude with Pizza and chat 😊.

This is the first time we have run this workshop, and believe it's an important initiative that will drive the future success of this great event! Your support is appreciated. Please RSVP to Jeff on 0400 320 514.
